Love me! Take me! Kiss me! Get me closer

숨길 수가 없어 널 보면 피어나는 맘을
파란 하늘에 우리 둘 모습 그려 너만이 보여

멈출 수가 없어 이 꿈을 깨고 싶지 않아
너로 가득 찬 시간 속에 난 갇혀
네게 입 맞춰

또각 또각 걸음마다
별들의 소릴 따라가면
유난히도 밝았던 그날 밤
두 손을 모아서

혜성처럼 반짝하고 나타나
어지럽게 내 손끝에 입 맞추고
저 별들 속에서 찾아온 Miracle
달콤했던 내 꿈에
환상속의 그대 Baby

내 손을 잡아 시작되는 Party time
난 너를 믿어 우리 둘의 Paradise

영원할 것 같아 이 맘을 지켜주고 싶어
나를 꿈꾸게 해준 네 맘을 비춰
이대로 멈춰

째깍째깍 흘러가는
별들의 빛을 바라보면
유난히도 밝았던 그 날 밤
두 손을 모아서

혜성처럼 반짝하고 나타나
어지럽게 내 손끝에 입 맞추고
저 별들 속에서 찾아온 Miracle
달콤했던 내 꿈에
환상속의 그대 Baby

맘속에 간직한 다 하지 못한 이야기
[NA/JH] 꼭 널 다시 만나게 되는 그 날
전해줄래

Love me! Take me! Kiss me! Get me closer

I can't hide it, my blooming feelings whenever I see you
I'm drawing us out on the blue sky, I can only see you

I can't stop, I don't wanna wake up from this dream
I'm trapped in these times that are filled with you
I'm kissing you

Click clack, each step I take
If I follow the sound of the stars
I remember the night that was especially bright
With my hands gathered

You shine and appear like a star
Making me dizzy, kissing my hand
A miracle that came from the stars
In my sweet dream
My fantasy, you, baby

Hold my hand, it's party time
I believe in you, our paradise

Feels like it's forever, I want to cherish this heart
Shining on your heart that allowed me to dream
Let's just stop like this

Tick tock, when I see the starlight
I remember the night
That was especially bright
With my hands gathered

You shine and appear like a star
Making me dizzy, kissing my hand
A miracle that came from the stars
In my sweet dream
My fantasy, you, baby

Stories I couldn't tell you but I kept in my heart
The day I mete you again
I will tell you

Love me! Take me! Kiss me! Get me closer

You shine and appear like a star
Making me dizzy, kissing my hand
A miracle that came from the stars
In my sweet dream
My fantasy, you, baby

Hold my hand, it's party time
I believe in you, our paradise
