2PM

(All all) All day (you) I only think of you (only) only (only) only  
(All all) All day (you) I only think of you (only) only (only) only

I can't do anything because of you all day  
I think my heart has been taken away by you  
It's as if you're right next to me  
My head is drunk with thoughts of last night  
I can't sober up, it's all because of you, I'm going crazy, I want you  
I want to have you, I want to touch you  
I'm falling for you, deeper and deeper

My body and my heart endlessly want you  
Like a child who was sucking on candy but taken away  
I'm going crazy, whatever I do, I can't focus  
What exactly did you do to me?  
It doesn't make sense that I'm being like this

Your eyes that look at me makes me go crazy  
You strangely smile at me  
You say my name and keep looking into my eyes  
You say my name and look into my eyes

Your passing by touch makes me crazy  
You make me not able to move  
You ride and flow from my head down my neck  
Ride and flow from my head down my neck

(All all) All day (you) I only think of you (only) only (only) only  
(All all) All day (you) I only think of you (only) only (only) only  
(All all) All day (you) I only think of you (only) only (only) only  
(All all) All day (you) I only think of you (only) only (only) only

When you look at me, it feels like electricity is flowing down  
When you touch me, I close my eyes and breathe in your scent  
I feel like I could fly, it seems like my body and heart are burning  
From the moment you appear, I go crazy

As soon as we say goodbye, I miss you  
Should we go far away somewhere so we can't ever part?  
Even if I throw away my career, nevertheless  
I think I might be happy  
I don't think my body's pulse is normal, I'm crazy  
That's what you do. Please help me

Your eyes that look at me makes me go crazy  
You strangely smile at me  
You say my name and keep looking into my eyes  
You say my name and look into my eyes

Your passing by touch makes me crazy  
You make me not able to move  
You ride and flow from my head down my neck  
Ride and flow from my head down my neck
