죽을 듯이 또 울어도 찢어질 듯이 불러도
벼랑 끝에 서 있어도 더 이상 상관없는 걸
(Groovy, everywhere)

여리한 그 자태 붉어진 달
숨은 막 턱 끝까지 차올라
어느새 깊게 드리워진 밤
심장은 뜨거워, she got the bomb

얼음처럼 차가웠지 아무렇지 않은 듯이
거친 땅을 딛고 나와 세상을 밟았지
바보처럼 순진했지 뭐에 홀려버린 듯이
이미 빠져버린 게임 난 멈출 수 없었지

오 이젠 나 집으로 돌아와
멈추지 마 빛으로 달려가
이대로 영원한 시간 속에 머물러
더 이상 그녀는 없어

온종일 last dance (Last dance), yeah
Oh, woah, yeah
온종일 last dance (Last dance), yeah
Oh, woah, yeah
온종일 last dance

들뜬 열기에 사라지네
어둠 어둠 속 비밀을 덮어줄게
오감에 취해 헤매이네
Hello, hold up, hold up
들뜬 열기에 사라지네
어둠 어둠 속 비밀을 덮어줄게
니 앞의 존재 믿게 해줄게
Hold up, smash!

오로라로 물들은 그 밤에
Let’s do the last dance
심장은 멈추고 난 깨어나네 , yeah
Let’s do the last dance
빛이 쏟아지고 공기는 우리를 집중해
달이 달아오름 붉은색 음악이 필요해
아침이 다가오면 나는 내일을 미룰게
발에 불이 나도록 춤춰 이 밤을 더 태우게

바보처럼 순진했지 뭐에 홀려버린 듯이
이미 빠져버린 게임 난 멈출 수 없었지
얼음처럼 차가웠지 아무렇지 않은 듯이
거친 땅을 딛고 나와 세상을 밟았지

Even if I cry as if to die, even if I call as if torn
Even if I stand on the edge of the cliff, it doesn't matter anymore
(Groovy, everywhere)

The soft appearance, the red moon
I'm breathing all the way to my chin
A night that has been draped in deep
My heart is hot, she got the bomb

She was as cold as ice as if nothing happened
She stepped on me and the world on rough ground
She was innocent like a child like she was fascinated by something
I couldn't stop a game that was already lost

Oh now I come back home
Don't stop, run to the light
Staying in eternal time like this
She's no longer here

Last dance all day long
Last dance all day long
Last dance all day long

Disappear in the exciting heat
I'll cover the secret in the darkness
I'm wandering drunk with my five senses
Hello, hold up hold up
Disappear in the exciting heat
I'll cover the secret in the darkness
I'll make you believe in the existence in front of you
Hold up, smash!

On that night colored by the aurora
Let’s do the last dance
My heart stops and I wake up
Let’s do the last dance
The light pours and the air focuses us
The moon is rising, I need red music
When the morning comes, I'll put off tomorrow
Dance and walk on fire, burn this night away

I was innocent like a fool, as if I was fascinated by something
I couldn't stop a game that was already lost
It was as cold as ice, as if nothing happened
I stepped on the rough ground and stepped on me and the world

Oh now I come back home

Don't stop, run to the light
Staying in eternal time like this
She's no longer here

Last dance all day long
Last dance all day long
Last dance all day long
