하드캐리해 WOH 하드캐리해

Welcome to my world let's do this
이슈제조기라 불러 I'm so ill
어딜가도 분위기 Go higher
비행기 밖은 너무 시끄러워 과열
내 안부는 Everybody knows it
하지만 아직 배 안 불러 Hungry
어떤 일에도 기죽지 않아
이걸 한 단어로 표현 패기

나 한번 뜨면 게임 다 정리돼
원하는 걸 전부 다 갖게 돼
물 타는 법을 알아
난 오늘도 할 일 해 하드캐리해
Let's fly again fly again fly again
I got this right (I got this right)
내일 일은 걱정 마 (걱정 마)
오늘은 내가 오직 널 하드캐리해

하드캐리해
Let it flow let it flow now
흔들었다 들었다 놔 하드캐리해
Let it flow let it flow now
흔들었다 들었다 놔 하드캐리해

난 게임에서 진적이 없어
매번 끝장을 봐 passion이 넘쳐
거품이 살짝 낀 우린
노는 데는 안 지는 실력 있는 겜블러
분위기 패스워드 아이디는 저장
많은 사람 오늘도 날 불러
무대가 끝나고 다시 비행기로
구름보다 편한 침대가 없어

나 한번 뜨면 게임 다 정리돼
원하는 걸 전부 다 갖게 돼
물 타는 법을 알아
난 오늘도 할 일 해 하드캐리해
Let's fly again fly again fly again
I got this right (I got this right)
내일 일은 걱정 마 (걱정 마)
오늘은 내가 오직 널 하드캐리해

하드캐리해
Let it flow let it flow now
흔들었다 들었다 놔 하드캐리해
Let it flow let it flow now
흔들었다 들었다 놔 하드캐리해

If you wanna get this 하던 대로 해
아무 상관 말고 될 대로 되라 그래
어둠 속에 환한 빛이 되어볼래
I just wanna blow your mind
I just wanna show my mind

Hard carry, hard carry

Welcome to my world, let's do this
Call me an issue maker, I'm so ill
Wherever I go, the mood go higher
It's so loud outside the place, crazy energy
How I'm doing? Everybody knows it
But I'm not full yet, hungry
Whatever it is, I won't lose spirit
In other words, I have a fighting spirit

Once I appear, the game is over
I get everything I want
I know how to flow with the water
Again today, I do what I have to, hard carry
Let's fly again, fly again, fly again
I got this right (I got this right)
Don't worry about tomorrow (Don't worry)
Today, I'll hard carry only for you

Hard carry
Let it flow, let it flow now
Shake you up, put you up and down, hard carry
Let it flow, let it flow now
Shake you up, put you up and down, hard carry

I've never lost a game before
I always see the end, overflowing with passion
We have slight foam but we don't lose when
It comes to playing - a skilled gambler
The password and ID to this atmosphere, save it
A lot of people call me out again today
After the performance is over, I'm on the plane again
No other comfortable pillow than a cloud

Once I appear, the game is over
I get everything I want
I know how to flow with the water
Again today, I do what I have to, hard carry
Let's fly again, fly again, fly again
I got this right (I got this right)
Don't worry about tomorrow (Don't worry)
Today, I'll hard carry only for you

Hard carry
Let it flow, let it flow now
Shake you up, put you up and down, hard carry
Let it flow, let it flow now
Shake you up, put you up and down, hard carry

If you wanna get this, do as you did
Without a care, just let it be
I wanna be light in the darkness
I just wanna blow your mind
I just wanna show my mind

Hard carry
Hard carry

Hard carry, hard carry
Hard carry, hard carry
Hard carry, hard carry
Hard carry, hard carry
