C Ami F G

1. I guess I just got lost

Ami

being someone else.

I tried to kill the pain,

G

but nothing ever helped.

I left myself behind,

somewhere along the way

hoping to come back around

to find myself someday

Ami G

R: Lately I'm so tired of waiting for you

F Ami

to say that it's okay.

Tell me please

Ami

Would you one time let me be myself

so I can shine

with my own light.

Let me be myself.

Would you let me be myself?

2. 'Cause I'll never find my heart

Ami

behind someone else.

I'll never see the light of day

living in this cell.

It's time to make my way

into the world I knew.

And then take back all of these times

that I gave in to you

R: Lately I'm so tired...

For a while, if you don't mind,

Ami G

let me be myself

so I can shine

with my own light.

Let me be myself.

G Ami

That's all I ever wanted from this world,

F G

is to let me be me.

Please, would you one time let me be myself so I can shine with my own light. Let me be myself.

Please, would you one time let me be myself so I can shine with my own light.
Let me be myself.

For a while, if you don't mind let me be myself so I can shine, with my own light. Let me be myself.

С

Would you one time

F

let me be myself

Ami G C

and let me be me.
