10.000 Faces

Gotthard

There is something in the air, gonna try not to care
I'll ride it like a one night affair
I'm shaking in my bones and no-one's aware
Pretending like I'm a god, I'm gonna take the dare

Oh yeah!
Oh fuck yeah!

They're knocking at my door and I know what it's for
Vibrations coming up from the floor
It's time to light the flame, now I'm putting on my game
I'm feeling like a god, they're gonna know my name
Yeah, they're gonna know my name

10000 faces looking at me
About 10000 more than I'd ever dreamed
10000 voices I can't see
I'm standing on the edge of an endless sea

Something's going on, it'll never be the same
I can't stop this rush in my brain
Oh… Here we go again, I know I'm not a god
But they're calling out my name
Yeah, they're calling out my name

10000 faces looking at me
About 10000 more than I'd ever dreamed
10000 voices I can't see
I'm standing on the edge of an endless sea
The edge of an endless sea
The edge of an endless sea

Oh yeah!

10000 faces looking at me
About 10000 more than I'd ever dreamed
10000 voices I can't see
I'm standing on the edge of an endless sea

10000 faces…
10000 faces…

Oh yeah!
