I can't smile I can't find I can't stop Lightless

멍하니 서서 니 뒷모습만 보고 있어
지금 너의 말에 난 어떻게 해야 할 지 몰라

더 멀어지는 너를 바라보는 내가
어두워져 가는 내 맘
한 순간에 내 안의 빛을 잃었어

이렇게 너를 찾아 헤매어 봐도
이렇게 너를 자꾸 떠올려 봐도
한 번만이라도 널 보려 해도 난
빛을 잃어서 아무것도 할 수가 없어

(떠나 가는 너)
Don't say good-bye
너와 나의 추억 다 so fly
닿을 수 없을 만큼 멀리 날아가
(어두워져 가)
Girl it's all lie
니가 돌아올 것 같아 oh 난
이 자리를 못 벗어나

멀어지는 너를 기다리는 내가
어두워져 버린 내가
한 순간에 내 안의 빛을 잃었어

이렇게 너를 찾아 헤매어 봐도
이렇게 너를 자꾸 떠올려 봐도
한 번만이라도 널 보려 해도 난
빛을 잃어서 아무것도 할 수가 없어

L L L Lightless 어느새 니가
사랑으로 비추던 빛은 fade out
좀더 빨리 이별을
눈치챘더라면 좋았을 텐데
커다란 허전함은 날 계속
할퀴어 쓰라린 상처는 너를 떠올려
Girl I need your luv
백 번 말해도 혼잣말인 걸

하루가 지나고 다시 또 하루가 시작돼도
내게 빛이 돼주었던 니가
없어 아직 난 어둠 속에 서 있는데

이제야 너를 잡아보려고 해도
아무리 내게 돌아오라고 해도
한 번만 단 한 번 널 보려 해도 난

I can't smile I can't find I can't stop Lightless

I can't smile I can't find I can't stop Lightless

I am standing here just blankly looking at your back
From your words I really don't know what to do

Watching you moving further away from me
My heart that is getting darker
In an instant I lost the light inside me

Even if I try to find you like this
Even if I try to think of you again like this
When I try to look at you just one more time
I can't do anything because I lost my light

(You are leaving)
Don't say good bye
Our memories are all going so fly
It is so far away that I can no longer reach for it
(It's getting dark)
Girl it's all lie
It feels like your will return oh
I can't leave from this spot

I wait for you, who is already far away
It has already gone dark
In an instant I lost the light inside me

Even if I try to find you like this
Even if I try to think of you again like this
When I try to look at you just one more time
I can't do anything because I lost my light

L L L Lightless Before I knew,
The love that you used to shine me fade out
If I had realized our farewell earlier
It would have been better
The large emptiness continues to scratch me
The painful scars remind me of you
Girl I need your luv
Even if I say this a hundred times, it is just a soliloquy

If a day passes by And another day Starts
You, who used be my light
Is now gone and I'm still Standing in the dark

If I try to hold on to you now
No matter how many times I tell you to come back to me
When I try to look at you one more time, just one more time
I can't see anything because I lost my light
