Ooh I feel so bright

유난히 생각이 났어
햇살이 따뜻해서 baby
혼자 있을 땐 내 바로 옆엔
그대 온기 아직 느껴져
이 세상이 다 어두워져도
우린 빛이나

You are my Sunshine
Sunshine 비춰줄 땐
언제나 그댄
그댄 포근해 저 구름보다
Ooh I feel so bright

We have a good time
Good time
같이 있을 땐 누구보다
더 큰 세상을 가진 듯해
Ooh I feel so bright

I can feel what you want
너의 품에
안겨있을 때면
오늘은 내가 내일은
네가 되어줘 서로의 baby

혼자 있을 땐 내 바로 옆엔
그대 온기 아직 느껴져
이 세상이 다 어두워져도
우린 빛이나

You are my Sunshine
Sunshine 비춰줄 땐
언제나 그댄
그댄 포근해 저 구름보다
Ooh I feel so bright

We have a good time
Good time
같이 있을 땐 누구보다
더 큰 세상을 가진 듯해
Ooh I feel so bright

손잡고 걸을 때
가끔씩 딴생각에 잠겨도
결국 이렇게 시간 지나면

남잔 똑같단 말도 뭐
난 하루 종일
내 왼쪽 어깨에 널 뉘어
네가 깊은 잠에 들 때까지
껴안고 싶어
널 안고 있을 때 커다란 파도 같은
내 하루의 방황을 끝내
햇살보다 더 환하게 난 너를
비춰 줄게 sunshine's like
My love for you
많이 부족하지만 노력할 게
네 얼굴에 슬픔이 묻지 않게
널 괴롭히는 어둠을 밝혀
내가 비춰줄 게 baby
No more nightmares
넌 내 지구 내 우주 내 세상
Forever be with you

You are my Sunshine
Sunshine 비춰줄 땐
언제나 그댄
그댄 포근해 저 구름보다
Ooh I feel so bright

We have a good time
Good time
같이 있을 땐 누구보다
더 큰 세상을 가진 듯해
Ooh I feel so bright

I thought about you even more
Because the sun felt so warm baby
When I'm alone, right next to me
I still feel your warmth
Even if the world gets dark
We shine

You are my Sunshine
Sunshine, when it shines
It's always you
You're so cozy, even more than those clouds
Ooh I feel so bright

We have a good time
Good time
When we're together
Feels like we have a world that's bigger than anyone else's
Ooh I feel so bright

I can feel what you want
When I'm in your arms
Today, it'll be me, tomorrow it'll be you
We're each other's baby

When I'm alone, right next to me
I still feel your warmth
Even if the world gets dark
We shine

You are my Sunshine
Sunshine, when it shines
It's always you
You're so cozy, even more than those clouds

Ooh I feel so bright

We have a good time
Good time
When we're together
Feels like we have a world that's bigger than anyone else's
Ooh I feel so bright

Even if I think about something else when we're walking hand-in-hand
Even if they say guys change when time passes
All day, I wanna place you on my left shoulder
I wanna hold you till you fall into a deep sleep
When I'm holding you, it ends the wanderings of my day that felt like a big wave
I'll shine on you, brighter than the sun
Sunshine's like my love for you
I lack in many ways but I'll keep trying
So there won't be sadness on your face
I'll shine on the darkness that bothers you
I'll shine on you, baby, no more nightmares
You're my earth, my universe, my world, forever be with you

You are my Sunshine
Sunshine, when it shines
It's always you
You're so cozy, even more than those clouds
Ooh I feel so bright

We have a good time
Good time
When we're together
Feels like we have a world that's bigger than anyone else's
Ooh I feel so bright
