Mind Trick

Jamie Cullum

```
C#Maj7     Esm7

C#Maj7                 Esm7
I missed the opportunity
C#Maj7                 Esm7
to get you babe to stay with me.
F#                 Fm                Bm                Eb
Never thought, I'd regret the excuses that I've made
        F#              As
like a song, it will fade

        C#Maj7
If there's music in the night,
        C#Maj7
And it's really, really right,
        Asm
It's the only thing I need.
        C#Maj7
it intoxicates your mind
        C#Maj7
All your troubles left behind
            Asm
So come on and take my lead.
                        Asm7
it's not just me who feels it
                        Fm
music plays a mind trick
                E
watch me forget about missing you
