나도 알아 멍청한 짓인지
알고 있어 알고 있어
사람들이 손가락질할 때
난 더 더더욱 강해질 거야

난 오늘도 어김없이 꿈을 꿔
하늘을 날아오르는 자유로운 듯
손을 뻗으면 닿을 듯 더 높이 향해서
날갯짓을 해 두렵더라도

절대 포기하지 못해
쓰러지지 못해
꿈을 위해서 난 한곳만 바라봐

포기하지 않아
쓰러지지 않아
온몸이 타올라 부셔져도

또 두려워질 때마다
날 믿어준 사람들을 위해
I will prove it
눈감고 싶을 때마다
저 끝에 있을 나를 상상해

불분명한 길이겠지만
날아올라 날아올라
빛을 따라 수많은 그림을 그려
난 한계를 느껴도

난 오늘도 어김없이 꿈을 꿔
하늘을 날아오르는 꿈을 이룬 듯
손을 뻗으면 닿을 듯 더 높이 향해서
날갯짓을 해 하늘 위까지

절대 포기하지 못해
쓰러지지 못해
꿈을 위해서 난 한곳만 바라봐

포기하지 않아
쓰러지지 않아
온몸이 타올라 부셔져도

누구보다 먼저 올라
손 뻗을게 너도 나와 같이 있길
저 파란하늘 더 높이 올라
너도 느낄 수 있게 날개를 펼 수 있게

절대 포기하지 못해
쓰러지지 못해
꿈을 위해서 난 한곳만 바라봐

포기하지 않아
쓰러지지 않아
온몸이 타올라 부셔져도

또 두려워질 때마다
날 믿어준 사람들을 위해
I will prove it
눈감고 싶을 때마다

I know this is stupid
I know, I know
But when people point fingers at me
I'm gonna become stronger

Without fail, I'm dreaming again today
As if I'm free like I'm flying in the sky
As if I can reach if I hold out my hand
I'll flap my wings harder, even if I'm scared

Never, I can't give up
I can't fall down
For my dreams, I'll only look at one place

I can't give up
I can't fall down
Even if my body breaks down

Every time I get scared
For the people who believe in me
I will prove it
Every time I wanna close my eyes
I'll picture me standing at the finish line

I'm not sure of this path
But I'll fly, I'll fly
I'll follow the light and draw countless pictures
Even if I feel the limit

Without fail, I'm dreaming again today
As if I'm free like I'm flying in the sky
As if I can reach if I hold out my hand
I'll flap my wings harder, even if I'm scared

Never, I can't give up
I can't fall down
For my dreams, I'll only look at one place

I can't give up
I can't fall down
Even if my body breaks down

I'll go up faster than anyone else
I'll hold out my hand, I hope you're with me
Flying higher in the blue sky
So you can feel it, so you can spread your wings

Never, I can't give up
I can't fall down
For my dreams, I'll only look at one place

I can't give up
I can't fall down
Even if my body breaks down

Every time I get scared
For the people who believe in me
I will prove it
Every time I wanna close my eyes
I'll picture me standing at the finish line
