

Brainstorm

take me away from the norm  
I got to tell you something  
this phenomenon  
I had to put it in a song  
and it goes like

Whoa, amber is the color of your energy  
whoa, shades of gold displayed naturally  
you ought to know what brings me here  
you glide through my head blind to fear  
and I know why  
whoa, amber is the color of your energy  
whoa, shades of gold displayed naturally

Whoa, amber is the color of your energy  
whoa, shades of gold displayed naturally

You live too far away  
your voice rings like a bell anyway  
don't give up your independence  
unless it feels so right  
nothing good comes easily  
sometimes you gotta fight

Whoa, amber is the color of your energy  
whoa, shades of gold displayed naturally  
launched a thousand ships in my heart, so easy  
still it's fine from afar, and you know that  
whoa, brainstorm take me away from the norm  
whoa, I got to tell you something
