For You

John Denver

```
A                     D         Hmi
Just to look in your eyes again
                    G   Emi
Just to lay in your arms
                     A                     D  A
Just to be the first one always there for you

Just to live in your laughter
Just to sing in your heart
Just to be every one of your dreams come true

Just to sit by your windows
Just to touch in the night
Just to offer a prayer each day for you

Just to long for your kisses
Just to dream of your sighs
Just to know that I'dgive my life foryou.

   A   D           Hmi        G
R: For you all the rest of my life
   A   D           Hmi        G
   For you all the best of my life
   A   D    A7             D   A
   For you alone, only for you.

Just to wake up eachmorning
Just to you by myside
Just to know that you'renever really faraway

Just a reason forliving
Just to say I adore
Just to know that you'rehere in my heart tostay.

R: For you all the rest of my life...

Just the words of alove song
Just the beat of myheart
Just the pledge of mylife, my love foryou.
