'Cause I know I gotta be strong
Yeah, the wait can be long

Not afraid of the dark

Bul kkeojin gireul ttara

Top down, through the rain

Siyareul samkyeobeoril deusi

The-the-they yelling, my name (my name!)
Deullyeo
Ssodajineun bulbit sogeuro

Don't slow me down when I wanna speed up (speed up!)
Dallyeo nan way too fast
Deo nopeun goseul hyanghaeseo heat up (heat up!)
Damgyeo nae modeun ge
Nal jayuropge hae
Meomchul su eomneun race

Don't slow me down when I wanna speed up
I'm going way too fast, Flash!

Aye, this that real race
This that never stop
Yeogi natseon gil kkeute

This that turn it up
Jeonghaejin gil eopda haedo I don't care

Jeoldae swiji ana 'cause it's my game
Don't slow me down when I wanna speed up
I'm going way too fast, Flash!

Hold on tight
Wild ride, 난 오늘도
알 수 없는 미래로 뛰어들어
가끔은 숨 막힐 듯 어지러워
(Someone tell me how you want it)

I know I gotta be strong
내 길은 끝없는 highway
It's a highway
저 붉은 태양 뜨기 전
가장 짙은 어둠이 몸을 감싸도

To-to-top down, through the rain
흐린
시야를 삼켜버릴 듯이

The-the-they yelling, my name
들려
쏟아지는 불빛 속으로

Don't slow me down when I wanna speed up (speed up!)
달려 난 way too fast
더 높은 곳을 향해서 heat up (heat up!)
담겨 내 모든 게
날 자유롭게 해
멈출 수 없는 race
꿈과 현실 사이 경계선에
Don't slow me down when I wanna speed up
I'm going way too fast, Flash!

All my life, all my life
쉬운 적은 없었지
Every time, every time
망설임 따윈 없어
Do or die 언제나
선택은 오직 하나
부딪혀 보면 알아
Nah, nah

'Cause I know I gotta be strong
Yeah, the wait can be long
엉켜 있는 미로
또다시 나는 위로

Not afraid of the dark
나만의 나침반
Nah, I've come way too far
불 꺼진 길을 따라

Top down, through the rain
흐린
시야를 삼켜버릴 듯이

The-the-they yelling, my name (my name!)
들려
쏟아지는 불빛 속으로

Don't slow me down when I wanna speed up (speed up!)
달려 난 way too fast
더 높은 곳을 향해서 heat up (heat up!)
담겨 내 모든 게
날 자유롭게 해
멈출 수 없는 race
꿈과 현실 사이 경계선에
Don't slow me down when I wanna speed up
I'm going way too fast, Flash!

Aye, this that real race
This that never stop
여기 낯선 길 끝에
This that tone it down
This that turn it up
정해진 길 없다 해도 I don't care
Do it all (Oh)

희미한 빛
더 선명하게 내 모습 비춰 줄 때
I'm 'bout to turn it up loud 'cause right now
I'm feeling like a rockstar, baby!

Don't slow me down when I wanna speed up (speed up!)
달려 난 뜨겁게
더욱 먼 곳을 향해서 heat up (heat up!)
더욱더 빠르게
터질 듯한 숨에
거친 에너지에
절대 쉬지 않아 'cause it's my game
Don't slow me down when I wanna speed up
I'm going way too fast, Flash!
