How Great Is Our God

Kendall Payne

The splendor of a King, clothed in majesty
All the earth rejoice, all the earth rejoice

He wraps himself in light, and darkness tries to hide
Trembles at His voice, trembles at His voice

How great is our God, sing with me
How great is our God, and all will see
How great, how great is our God

And age to age he stands, and time is in his hands
Beginning and the end, beginning and the end

The God head three in one, Father, Spirt, Son
Lion and the Lamb, Lion and the Lamb

How great is our God, sing with me
How great is our God, and all will see
How great, how great is our God

How great is our God, sing with me
How great is our God, and all will see
How great, how great is our God yeah

Here's the name above all names, and his worthy of all praise
And my heart will sing how great is our God
Here's the name above all names, and his worthy of all praise
And my heart will sing how great is our God

How great is our God, won't you sing with me
How great is our God, and all will see
How great, how great is our God

Here's the name above all names, and his worthy of all praise
So my heart will sing how great is our God

How great is our God, sing with me
How great is our God, and all will see
How great, how great is our God
