Who's hot and who's not

이걸 범죄라 할 수 있나
Knock knock 자 들어갑니다
넌 깜짝 놀랄게 분명합니다
들어가 확확 들어가 확확 무단침입
이걸 싫다 할 수 있나
Knock knock 자 들어갑니다
너 완전 심쿵할게 분명합니다
들어가 확확 들어가 확확 무단침입
이걸 범죄라 할 수 있나
니가 너무 헤매서 내가 왔어 (e o e o)
Hey, 거기 시시한 애들 치워 봐봐 (e o e o)
여기저기 어질러 시작이 좀 거칠어
Get up get up get up get up
이걸 멈추라 할 수 있나

잘 구경해
나 어떡해서 니 맘을
다 어지럽혀 놓는지
어디부터 어디까지
다 내가 손을 보는지
내 눈에 니 주변 다 엉망이야
너 지금부터 잘 지켜봐

이걸 범죄라 할 수 있나
Knock knock 자 들어갑니다
넌 깜짝 놀랄게 분명합니다
들어가 확확 들어가 확확 무단침입
이걸 싫다 할 수 있나
Knock knock 자 들어갑니다
너 완전 심쿵할게 분명합니다
들어가 확확 들어가 확확 무단침입
이걸 범죄라 할 수 있나

난 다른 저기 예쁘장한 애들과는 달라
실례합니다 Excuse my charisma
니맘에 무례히 좀 들어갈게
내 사랑이 예의를 좀 몰라 Excuse my charisma
Young and bad 익숙해져 주헌
Monsta X boys on the way man
쳐들어간다 맘 단속해라
Get out the way 자 감동해봐

잘 구경해
소문이 멀리 퍼지게
날 마음대로 욕하게
내 이름의 꼬리표에
너라는 이름 달리게
이게 내 시작하는 방식이야
너 지금부터 잘 지켜봐

이걸 범죄라 할 수 있나
Knock knock 자 들어갑니다
넌 깜짝 놀랄게 분명합니다
들어가 확확 들어가 확확 무단침입
이걸 싫다 할 수 있나
Knock knock 자 들어갑니다
너 완전 심쿵할게 분명합니다
들어가 확확 들어가 확확 무단침입
이걸 범죄라 할 수 있나

길을 잃은 너를 위한 시작이야
그냥 두고 봐 나를 ,
그냥 믿어봐 나를
이건 다 의미 있는 소란이야
그러니까 마저 해도 될까

이걸 범죄라 할 수 있나
Knock knock 자 들어갑니다
넌 깜짝 놀랄게 분명합니다
들어가 확확 들어가 확확 무단침입
이걸 싫다 할 수 있나
Knock knock 자 들어갑니다
너 완전 심쿵할게 분명합니다
들어가 확확 들어가 확확 무단침입
이걸 범죄라 할 수 있나

너좀그만 헤맬 때도 됐다고 봐
니 주변 자식들 난 다 됐다고 봐
널 여는데 열쇠는 필요 없어
그냥 문 부수지
밀당이니 썸이니
왜 질질 끌어 굳이 ? Huh?
니맘에 들어가 날 잔뜩 어질러놔
좀봐봐봐 내가 여기 무슨 짓 저질렀나
성에 차겠어 내가 아님 누가
So tell me now
Who's hot and who's not

Can you really call this a crime?
Knock knock, I'm going in now
It's clear you're gonna be shocked
I'm quickly going in, I'm quickly going in, trespassing
Can you really say you hate this?
Knock knock, I'm going in now
It's clear your heart will pound

I'm quickly going in, I'm quickly going in, trespassing
Can you really call this a crime?
I'm here because you were too lost (e o e o)
Hey, clean up those silly kids over there (e o e o)
Making a mess here and there. The start was a bit rough
Get up get up get up get up
Can you really tell us to stop?

Look carefully
See how
I will mess up your heart
See how I'll take care of things
In my eyes,
everything around you is a mess
Look closely from now on

Can you really call this a crime?
Knock knock, I'm going in now
It's clear you're gonna be shocked
I'm quickly going in, I'm quickly going in, trespassing
Can you really say you hate this?
Knock knock, I'm going in now
It's clear your heart will pound
I'm quickly going in, I'm quickly going in, trespassing
Can you really call this a crime?

I'm different from those pretty boys over there
Excuse me, excuse my charisma
I'm gonna be rude and enter your heart
My love knows no manners, excuse my charisma
Young and bad, get used to Jooheon
Monsta X boys on the way man,
I'm going in, be prepared
Get out the way, now be touched

Watch carefully
So rumors can spread far
So you can talk bad about me all you want
so your name can be
hanging off my name
This is how I start
Watch carefully from now on

Can you really call this a crime?
Knock knock, I'm going in now
It's clear you're gonna be shocked
I'm quickly going in, I'm quickly going in, trespassing
Can you really say you hate this?
Knock knock, I'm going in now
It's clear your heart will pound
I'm quickly going in, I'm quickly going in, trespassing
Can you really call this a crime?

It's the start for you, who is lost
Just watch,
just trust
This is all meaningful noise
So can I finish?

Can you really call this a crime?
Knock knock, I'm going in now
It's clear you're gonna be shocked
I'm quickly going in, I'm quickly going in, trespassing

Can you really say you hate this?
Knock knock, I'm going in now
It's clear your heart will pound
I'm quickly going in, I'm quickly going in, trespassing
Can you really call this a crime?

I think it's time you stop wandering
I think all the guys around you are done
I don't even need a key to open you
I'll just break the door down
Is this a game? Is this a some?
Why are you dragging this out?
I'll go into your heart and mess it all up
Look at what I did
You think it's enough? If not me, then who?
So tell me now
Who's hot and who's not
