벌써 너를 닮은 계절
We say hello (hello)
매일 더 해가 높아져 (hello)
파도가 좀 더 높아져

말 없이 난 네 옆에
이 자릴 지켜 왔는데
너는 알고 있었을까
내 맘 알고 있었을까

한 여름 소나기 앞 우린
이 비를 피할 빈틈 없이 젖어 들어가

내 맘 속에 하나 둘
늘어 나는 마음들
너를 위해
네게 난 네게 난 네게 네게
눈이 부신 만큼
오랫동안 기억 되기를
Again and again and again
너와 함께 once again
Ha ha ha
이 여름을 once again

Yeah yeah yeah
정말 뜨거웠던 summer
딱히 말하진 않아도
느껴지는 vibe
나는 네 눈빛을 보곤 bomber
설렘을 안 순간 헤어지게 되었지만
바람 부는 날 여름 날 넌 내가 기억날까
Ps 하나 더 얘기하자면
그 때의 그 때는 우연이 아니었는데
Uh people call it love
While I be calling you
돌아온 이 계절처럼
Let's go to that summer noon

한 여름 태양 앞에 우린
이 빛을 피할 그늘
없이 마주 서 있어

내 맘 속에 하나 둘
늘어 나는 마음들
너를 위해

네게 난 네게 난 네게 네게
눈이 부신 만큼
오랫동안 기억 되기를
Again and again and again
너와 함께 once again

Again 'n again again again
Again 'n again again again
Again 'n again again again

밤 하늘에 하나 둘
반짝이는 별도 너를 위해
네게 난 네게 난 네게 네게
기다려온 만큼
두근대는 고백 너에게
Again and again and again
(I never let you down)
이 여름을 once again
Ha ha ha
내 마음을 once again
내 마음을 once again

Again 'n again again again
Again 'n again again again
Again 'n again again again
One two let's go
The reason already resembles you
We say hello (hello)
The sun gets higher every day (hello)
The waves get higher

Without a word,
I've stayed by your side
Did you know?
Did you know my heart?

We're in front of a summer shower
Can't avoid the rain, we're getting wet

In my heart,
Your feelings grow one by one
For you
To you, to you, to you
As dazzling as it is
I hope I'll be remembered for a long time
Again and again and again
With you once again
Ha ha ha
This summer once again

Yeah yeah yeah
It was a hot summer
Didn't have to say it
To feel the vibe
I saw your eyes and bomber
Though we said goodbye the moment I knew about the fluttering
On windy days, on summer days, will you remember me?
Ps, if I can say one more thing
We weren't just a coincidence back then
Uh people call it love
While I be calling you
Like this season that came back
Let's go to that summer noon

We're in front of the summer sun
Without any shade to escape the light
We're facing each other

In my heart,
Your feelings grow one by one
For you
To you, to you, to you
As dazzling as it is
I hope I'll be remembered for a long time
Again and again and again
With you once again

Again 'n again again again
Again 'n again again again
Again 'n again again again

The twinkling stars
In the night sky are for you
To you, to you, to you
As much as I waited
I'll tell you my heart-pounding confession
Again and again and again
(I never let you down)
This summer once again
Ha ha ha
My heart once again
My heart once again
