마음이 눈을 감고
눈물이 말을 걸어 올 때
더 이상 슬픔은 그대 것이 아니죠
이제 내 손을 꼭 잡아요 그대

조용히 내게 기대
살며시 눈을 감아 봐요
작은 숨소리 하나만으로 소중한
행복을 선물 하는 그대

Baby just one kiss for love
One kiss for us
포근히 내 입술에
그대 얘길 전해줘요
Baby just one kiss for love
One kiss for our love
영원히 내 품에

어둠이 잠에 들고
햇살이 눈을 맞춰 오면
해맑은 미소로 아침을 열어 줄
그대가 있어 난 행복하죠
워우우워워

Baby just one kiss for love
One kiss for us
포근히 내 입술에
그대 얘길 전해줘요
Baby just one kiss for love
One kiss for our love
영원히 내 품에

가끔씩 아픈 기억이
그대의 눈가에 슬픔을 가져온대도
이것 만은 기억해요 그댈 위해서
숨 쉬는 사람 바로 나란 걸

시간은 지날대로 지나
너란 향기가 그리웠어
다시 널 볼 수 있단 사실에
내 마음의 꽃이 다시 폈어
오랜만이야 생각보다
조금 늦었는지도 몰라
밖에만 돌다 보니
식어버린 우리란 마음의 온도와
떨리는 두 입술 더 이상 참진 않아도 돼
고생했어 다가와 편히 내게 기대도 돼
그리고 don't worry
지금 이 순간은 우리 둘뿐이야 yeah

Baby just one kiss for love
One kiss for us
포근히 내 입술에
그대 얘길 전해줘요
Baby just one kiss for love
One kiss for our love
영원히 내 품에

When your mind closes its eyes
And tears are coming to talk to you
Sorrow is no longer yours
So now, hold your hand tightly

Lean on my without saying anything
And softly close your eyes
Your little breathe itself makes you precious
You are the one who's giving happiness to me

Baby just one kiss for love
One kiss for us
Tell me your story
Softly to my lips
Baby just one kiss for love
One kiss for our love
Eternally, in my arms

When the night falls asleep
And the day comes to see you
I'm happy because there is
You who's opening the morning with a bright smile
Wouuwowo

Baby just one kiss for love
One kiss for us
Tell me your story
Softly to my lips
Baby just one kiss for love
One kiss for our love
Eternally, in my arms

Sometimes sad memories
Will bring tears in your eyes
But please remember this, I'm the one
Who's breathing for you

I missed your scent
When it had been so long
At the moment I realized I can see you
A flower inside of me bloomed again
It's been so long, more than I expected
It might have been a little late
We lingered outside and
It made the temperature of our mind became cold
No need to hold your shaking lips anymore
You did your best, come to me and lean on me comfortably
And don't worry
Now, there's only you and me yeah

Baby just one kiss for love
One kiss for us
Tell me your story
Softly to my lips
Baby just one kiss for love
One kiss for our love
Eternally, in my arms
