똑같은 하루 시작되고
어김없이 눈을 떠
아직 멀게 느껴져 새로운 내일
바뀌지 않을 것만 같아
매일같이 똑같은 걸
지겨워 오늘도 지쳐만 가는데

하지만 우린 알고 있어 서로가
서롤 믿는다는 걸
손을 잡고 걸어가

우리 함께라면 늘 괜찮아 오늘도 내일도
언제나 다 같이 힘내 힘내
우리 함께라면 늘 괜찮아 시작해
새로운 내일이 우리 향해 기다려

언제라도 we'll be alright
우리같이 never cry
언제나 우리 함께 힘내 힘내
언제라도 we'll be alright
우리같이 never cry
언제나 함께 힘을 낼거야

혼자라고 느낄 때 주위 둘러보기
작은 다툼이라도 서로 안아주기
어떤 고민도 내게 말하기
우리 함께 한다면 두렵지 않을 이야기
하나되어 더 빛나 우리 별빛
어두운 길을 밝혀준 넌 내 달빛
새끼손가락 걸고 모두 약속해
우리 함께 하는 내일 영원이라는 걸 기억해
손을 잡고 걸어가

우리 함께라면 늘 괜찮아 오늘도 내일도
언제나 다 같이 힘내 힘내
우리 함께라면 늘 괜찮아 시작해
새로운 내일이 우리 향해 기다려

언제라도 we'll be alright
우리같이 never cry
언제나 우리 함께 힘내 힘내
언제라도 we'll be alright
우리같이 never cry
언제나 함께 힘을 낼거야

한 발짝도 내디딜 수 없는
어둠 속을 걷고 있을 때면
우린 서로를 의지해
빛을 내며 나아가

우리 함께라면 늘 괜찮아 오늘도 내일도
언제나 다 같이 힘내 힘내
우리 함께라면 늘 괜찮아 시작해
새로운 내일이 우리 향해 기다려

언제라도 we'll be alright
우리같이 never cry
언제나 우리 함께 힘내 힘내

The same old day starts again
My eyes open without faith
A new tomorrow still feels far away
Doesn't feel like things will change
Every day is the same
I'm sick of it, tired again today

But we know
That we believe in each other
So we walk together hand in hand

If we're together, it's always alright today and tomorrow
Always all together, we have strength
If we're together, it's always alright
A new tomorrow starts, it's waiting for us

Whenever, we'll be alright
Together, we never cry
Always all together, we have strength
Whenever, we'll be alright
Together, we never cry
Always all together, we have strength

When you feel like you're alone, look around you
Even in small fights, let's hug each other
Any kind of worries, tell me
If we're together, we won't be scared
We've become one, our starlight shines brighter
You're my moonlight that shines on my dark path
Pinky promise me, remember the tomorrow that
We face tomorrow will last forever
Walk together hand in hand

If we're together, it's always alright today and tomorrow
Always all together, we have strength
If we're together, it's always alright
A new tomorrow starts, it's waiting for us

Whenever, we'll be alright
Together, we never cry
Always all together, we have strength
Whenever, we'll be alright
Together, we never cry
Always all together, we have strength

When you're in the darkness
And you can't take a single step forward
Let's trust in each other
Move forward as we shine a light

If we're together, it's always alright today and tomorrow
Always all together, we have strength
If we're together, it's always alright
A new tomorrow starts, it's waiting for us

Whenever, we'll be alright
Together, we never cry
Always all together, we have strength
Whenever, we'll be alright

Together, we never cry
Always all together, we have strength
