Never Ever Ender

RADWIMPS

Kinou made no sekai wa nugisutete iza boku wa taikai e tabi ni deru
Konna chippoke na atama de egaita miraizu ya, nimotsu wo
Sutete kaban hitotsu de kakedashita

Yume wo kataru no ga itsumo nigate de sameta me de yoso no hanashi kiitete
"Sonna mon kai? sonnaan janai ze, ore no wa"
Kokoro no naka dake itsumo hoetete

Full of never ending stories in this never ending universe
But I'm keeping pretty busy minding mine, and no time to care the others
Only if we unite our stories yours and mine
Why don't we make our own eternity?

Atama no naka itsumo sawagashikute soko de dake wa hibi daienzetsu de
Yo ni afureru wa seikoushatachi no kotoba itsudatte
Haibokusha ni maiku wa mukerarenai

Ano azayaka ni hikaru wa kono te wo meippai ni
Nobashita yubisaki kasumeteku sekai
Konna yoru wa kimi to iretara
Todokisou na ki ga shita

Full of never ending stories in this never ending universe
But I'm keeping pretty busy minding mine, and no time to care the others
Only if we unite our stories yours and mine
Why don't we make our own eternity?

昨日までの世界は脱ぎ捨てて いざ僕は大海へ旅に出る
こんなチッポケな 頭で描いた未来図や、荷物を
捨ててカバン一つで駆け出した

夢を語るのがいつも苦手で 冷めた目でヨソの話聞いてて
「そんなもんかい？そんなぁんじゃないぜ、俺のは」
心の中だけいつも吠えてて

Full of never ending stories in this never ending universe
But I'm keeping pretty busy minding mine, and no time to care the others
Only if we unite our stories yours and mine
Why don't we make our own eternity?

頭の中いつも騒がしくて そこでだけは日々大演説で
世に溢れるは成功者達の言葉 いつだって
敗北者にマイクは向けられない

あの鮮やかに光るは この手を目一杯に
伸ばした指先 かすめてく世界
こんな夜は君といれたら
届きそうな気がした

Full of never ending stories in this never ending universe
But I'm keeping pretty busy minding mine, and no time to care the others
Only if we unite our stories yours and mine
Why don't we make our own eternity?
