Malhaejweoyo Hello

이른 아침부터
다시 잠이 들 때까지
꿈을 넘나들 듯
난 널 만나 (몰래 만나)

모든 게 새로워
널 바라볼 때면
다음 얘긴 미처
난 잊고 마는 걸

눈빛 네 표정
그 향기 네 말투
다 사랑스러
미소 짓게 돼 (Oh)

이렇게 너와 함께
있는 것만으로 Romance
심장이 터질 것 같아
1초도 아까워
꼭 붙어 있어줘
너만을 사랑해
말해줘요 Hello

Hello hello hello hello hello
Hello hello hello hello
말해줘요 Hello

안부 전화부터
가끔 작은 선물까지
나를 웃게 하는
너의 모든 것

다들 날 부러워
놀리는 순간도
수줍지만 그저
난 싫지 않은 걸

눈빛 네 표정
그 향기 네 말투
다 사랑스러
미소 짓게 돼

이렇게 너와 함께
있는 것만으로 Romance
너에게 빠져버렸어
갈수록 좋아져
내 곁에 있어줘
너만을 사랑해
말해줘요 Hello

Hello hello hello hello hello
Hello hello hello hello

너만 보면 웃음이 나
이게 사랑인 걸까 (Oh)
너도 같은 마음
On and on and on

너만 보면 안고 싶어
(널 안고 싶어)
이게 사랑인 걸까
(사랑일까)
너도 같은 마음
On and on and on yeah

이렇게 너와 함께
있는 것만으로 Romance (것만으로)
심장이 터질 것 같아
1초도 아까워
꼭 붙어 있어줘 (있어줘)
너만을 사랑해
말해줘요 Hello

Hello hello hello
Hello hello (Hello)
Hello hello hello hello
(말해줘요 Hello)

Hello hello hello hello hello
Hello hello hello hello
(Baby you got me)

Hello hello hello
Hello hello (Hello)
Hello hello hello hello (ah)
영원히 사랑해
말해줘요 Hello

From easy morning
Until I fall asleep again
As if going in and out of dreams
I'm meeting you, I'm meeting you (secretly)

Everything is so new
When I look at you

I already forget
What to say next

Your eyes, your face
Your scent, the way you talk
It's all so lovable
You make me smile

Just being
With you, romance
Makes my heart burst
Each second is too precious
Stick close to me
I only love you
Tell me, hello

Hello hello hello hello hello
Hello hello hello hello
Tell me, Hello

From everyday calls
To small gifts at times
All of you
Makes me smile

Everyone is jealous of me
Even when they make fun of me
I'm embarrassed but
I don't hate it

Your eyes, your face
Your scent, the way you talk
It's all so lovable
You make me smile

Just being
With you, romance
I've fallen for you
I like you more and more
Stay by my side
I only love you
Tell me, Hello

Hello hello hello hello hello
Hello hello hello hello

Whenever I see you, I smile
Is this love?
Do you feel the same way?
On and on and on

Whenever I see you, I wanna hug you
(I wanna hug you)
Is this love?
(Is it love?)
Do you feel the same way?
On and on and on yeah

Just being
With you, romance
Makes my heart burst
Each second is too precious
Stick close to me

I only love you
Tell me, hello

Hello hello hello
Hello hello (Hello)
Hello hello hello hello
(Tell me, Hello)

Hello hello hello hello hello
Hello hello hello hello
(Baby you got me)

Hello hello hello
Hello hello (Hello)
Hello hello hello hello (ah)
I love you forever
Tell me, hello
