짙은 어둠 흩어져있던
많고 많은 별들 중에
혜성처럼 판을 흔들어
언제보다 강하게

수많은 별들이 태어나고 사라지는 동안
통과했던 시간속에 강해져
수도 없이 외쳐왔던 이름
우리의 의미 오늘도 제대로 보여줄게

온 사방에 불꽃이 터져
확 뜨겁게 세상에 번져 더 커져
이 무대를 완전히
뒤집어 통째로 삼켜 버린
붉은 열정을 빠짐없이
온 몸에 새겨 심장 깊숙이

I'm ready for you now
더 크게 외쳐 Loud
I'm ready for you now
매 순간 속에 모든 걸 던져
이 험한 길 위에 지금 껏 지켜낸
그 다섯 글자
이젠 최초를 넘어서 최고가 돼
더 높이 올라가 세상에 소리쳐
I'm ready for you now

Light, camera, action we go
그어 놓은 한계를 뛰어넘어
또 한번 Super Junior
이대로 분위기 고조 시켜 Yeah
틀을 깨고 부숴 버려
세상에 끝까지 퍼져
진짜는 흔치 않아
자 한번 더 우릴 외쳐

무한한 에너지 또 전율이 오르지
모든걸 다 흔들어놔
This is our time, let our light shine
더 크게 타올라

I'm ready for you now
더 크게 외쳐 Loud
I'm ready for you now
매 순간 속에 모든 걸 던져
이 험한 길 위에 지금 껏 지켜낸
그 다섯 글자
이젠 최초를 넘어서 최고가 돼
더 높이 올라가 세상에 소리쳐

I'm ready for you now

Ready for you now
I'm ready for you now

얼마나 수많은 상처를 견디고
치열히 자신과 싸우고
쉬운 적이 없었던
시간을 거치고 일어나
눈물의 영광을 왕관의 무게를
빛을 잃지 않게 지켜 가

(I'm ready for you now)
더 크게 외쳐 Loud
I'm ready for you now
매 순간 속에 모든 걸 던져
이 험한 길 위에 지금 껏 지켜낸
그 다섯 글자
이젠 최초를 넘어서 최고가 돼
더 높이 올라가 세상에 소리쳐
I'm ready for you now

Within the many stars scattered in the darkness
Set the scene like a comet
The many stars that are
Stronger than ever

While born and gone
Gets stronger in the time passed
A name that's been said countlessly
Our meaning, I'll show you well today

Flames burst everywhere
Spreading the world hot
It gets bigger, this stage is completely
Flipped over and swallowed whole
Without exception to the fiery passion
Carved all over my body, deep in the heart

I'm ready for you now
Scream bigger, loud
I'm ready for you now
Throw everything in every moment
On this rough road, I've defended myself
Those five letters are now
Beyond being the first and becoming the best
Going higher, shout out to the world
I'm ready for you now

Lights, camera, action we go
Beyond the limits
Once again Super Junior
Keep the atmosphere like this
Break the mold, shattering it
Spreading over to the end
Really rare
Now, shout out to us once more

Infinite energy, thrilling again
Shake everything
This is our time, let our light shine
Burn it brighter

I'm ready for you now
Scream bigger, loud
I'm ready for you now
Throw everything in every moment
On this rough road, I've defended myself
Those five letters are now
Beyond being the first and becoming the best
Going higher, shout out to the world
I'm ready for you now

Ready for you now
I'm ready for you now

How many wounds have I endured
Fiercely fighting ourselves
Never been easy
Over time I'll wake up
The glory of tears, the weight of the crown
I ensure they don't lose their light

(I'm ready for you now)
Scream bigger, loud
I'm ready for you now
Throw everything in every moment
On this rough road, I've defended myself
Those five letters are now
Beyond being the first and becoming the best
Going higher, shout out to the world
I'm ready for you now
