Let me break it down, down, break it, break it down
I'm gonna break it down now, break it, break it down
끝까지 가고 싶어 baby I got you
날 따라와주겠니

내 목소릴 좀 더 turn it up 잘 들어 모두다 집중해봐 여기로
너 무 기다려온 dance floor, I'm gonna let it go, 나 미치겠어 더는 못 참겠어
내 심장소리가 들리니 이건 내 맘속의 널 향한 멜로디
미션은 making your body move, shaking and pop and groove, 너와 손을 잡고 춤을 추고 싶어 난

나와 발을 맞춰줘요 이 리듬에 몸을 맡겨요
내게 멈추란 말 하지마 이제 시작했는걸 let me break this down

Let me break it down, down, break it, break it down
I'm gonna break it down now, break it, break it down
끝까지 가고 싶어 baby I got you
날 따라와주겠니

남자들은 다 손들어 그 옆에 여자들은 엉덩일 흔들어
오늘만큼은 널 버리고 you can just let it go, 다 미쳐보자 지금 이곳에서
이 사랑노래가 들리니 이건 모든 여자들을 위한 하모니
오늘은 모두의 special day, we're gonna celebrate, 아침이 올 때까지 we gon' party all night

나와 발을 맞춰줘요 이 리듬에 몸을 맡겨요
내게 멈추란 말 하지마 이제 시작했는걸 let me break this down

Let me break it down, down, break it, break it down
I'm gonna break it down now, break it, break it down
끝까지 가고 싶어 baby I got you
날 따라와주겠니

Now shake ya body on the floor cause we gon keep it going
Rock that body on the floor cause we gon keep it moving
Elevator처럼, let's go up and down
Elevator처럼, we go up and down

Now shake ya body on the floor cause we gon keep it going
Rock that body on the floor cause we gon keep it moving

Let me break it down, down, break it, break it down
I'm gonna break it down now, break it, break it down
끝까지 가고 싶어 baby I got you
날 따라와주겠니

(Let's break it down)

Let me break it down down
Break break down
I'm gonna break down
Now break break down

I want to show you myself
Let me just show you
Will you look at me?

Let me break it down down
Break break down
I'm gonna break down
Now break break down

I wanna go till the end

Baby, I got you
Will you follow me?

Turn my voice up a little more
Listen carefully, everyone focus here
The long awaited dance floor
I'm gonna let it go
I'm gonna go c-c-c-crazy
I can't take it anymore

Can you hear the sound of my heart?
This is the melody inside of my heart for you
It's making your body move
Shake shake in poppin' groove
I want to hold your hand and dance

Match your footsteps with mine
Leave your body to this rhythm
Don't tell me to stop
We're just starting now
Let me break this down

Let me break it down down
Break break down
I'm gonna break down
Now break break down

I wanna go till the end, baby
I got you, will you follow me? (Saying!)

Guys, put your hands up
The girls next to them, shake your butts
Throw yourself away just for today
You can just let it go
Let's all get c-c-c-crazy
Right now at this place

Can you hear this love song?
This is a harmoony for all the girls
Today is everyone's special day
We gonna celebrate until the morning comes
We gonna party all night

Match your footsteps with mine
Leave your body to this rhythm
Don't tell me to stop
We're just starting now
Let me break this down

Let me break it down down
Break break down
I'm gonna break down
Now break break down

I wanna go till the end, baby
I got you, will you follow me? (Saying!)

Now I shake a body on the floor
Cause we're keep in going
Rock your body on the floor
Cause we're keep in going

Like an elevator

Let's go up and down
Like an elevator
We go up and down

Now I shake a body on the floor
Cause we're keep in going
Rock your body on the floor
Cause we're keep in going

Ah ah ah ah ah ah ah ah ah
Say eh eh eh eh eh eh eh eh eh

Let me break it down down
Break break down
I'm gonna break down
Now break break down

I wanna go till the end, baby
I got you, will you follow me? (Saying!)
