Press Rewind

Total

I think you need to think back
When we were sexin' each other
Tell me what you wanna do, come on

Say you don't wanna press rewind
Think back to the times when sexin' me
Was the only thing on your mind
Look me eye to eye and tell me
You don't want what you used to get tonight

Boy, I remember just what you like
And for you boy, been keeping it nice and tight
Waiting for this moment to come with you
So press rewind to when you was mine
And tell me what you wanna do

Press rewind, give it to me again and again
What you say, baby? What you wanna do?
Let's unwind and what you say, baby?
Give it to me again and again
Say what you wanna do, do?

Press rewind, give it to me again and again
What you say, baby? What you wanna do?
Let's unwind and what you say, baby?
Give it to me again and again
Say what you wanna do, do?

I'll ask that all that you told me
Unleash those curious thoughts come see
Three times a freak, you need to press rewind
To think of all the things that I used to do to you

Just rewind, yeah, yeah
To find out all the things that I learned
Think about the last night
Then tell me what you wanna do

Press rewind, give it to me again and again
What you say, baby? What you wanna do?
Let's unwind and what you say, baby?
Give it to me again and again
Say what you wanna do

Press rewind, give it to me again and again
What you say, baby? What you wanna do?
Let's unwind and what you say, baby?
Give it to me again and again
Say what you wanna do

Baby, tonight we're gonna do all the things
That you want me to do, let's take our time
Never ever wanna let you go
Give it to me nice and slow

You'll never forget 'cause after
Tonight you're gonna be all mine

So press rewind and think of me
I want you to be with me

Press rewind, give it to me again and again
What you say, baby? What you wanna do?
Let's unwind and what you say, baby?
Give it to me again and again
