내 차에 올라타고 널 데리러 가
딴 애들은 빼 우린 좀 낯가리니까
We got no time 눈치 봐 힐끔 두리번
이런 내게 적응 못해도 뭐 어때

Ok ok 뭐래도 난 괜찮아 더해봐
별 상관 안 해 귀찮으니까
This is me 다 말하지
넌 진짜 싸가지 더 짖어봐 강아지

날 봐 다 싫다고 하면서
Wanna be like me
Wanna be like me now
Fine by me 가까이 와
다 따라 다 따라 해봐 like this

네 귓가에 때려 넣어 나 나 나 날
네 눈가에 아른거리게 나 나 날
네 가슴이 터져버리게 hit again

시작됐지 네 머리 머리 머리 ya
울려 웅웅대 심장 두근대
몸이 붕 뜨고 별이 별이 별이 ya
보여 넌 빙빙 돌고 돌아가 막 핑핑

Ok ok 뭘 그리 쳐다봐 어쩌게 날
별 신경 안 써 귀찮으니까
This is me
내가 망하길 바라지 난
안 바래 네 뒷바라지
Ya 난 고삐 풀린 망아지
다 무는 미친 강아지

날 봐 사실은 너도 네가 되길 바라지
Wanna be like me now
감춰진 널 꺼내봐
다 따라 다 따라 해봐 like this

네 귓가에 때려 넣어 나 나 나 날
네 눈가에 아른거리게 나 나 날

I'm getting in my car to go pick you up
Don't invite other people because we're a bit shy
We got no time, I'm cautiously looking around
Even if you're not used to me, what can I do?

Ok ok, no matter what you say, I'm alright, you can do more

I don't really care because it's too tiring
This is me, they all say it
You're really rude, go on, keep barking like a dog

Look at me, they say they hate me
But they wanna be like me
Wanna be like me now
Fine by me, come closer
Follow me, follow me like this

I'm gonna hit you in your ear
So I can flicker before your eyes
So your heart can explode, hit again
Doom doom ta, doom doom ta
Doom doom ta, doom doom ta, check it

It has begun, your head head head
Starts to ring, your heart starts to pound
It feels like you're floating, you can start to see stars stars stars
You're spinning round and round

Ok ok, what're you staring at?
But I don't really care because it's too tiring
This is me
They all want me to fail
But I don't really care what happens to you
I'm a horse without reins
A crazy dog who bites everyone

Look at me, honestly, you wanna be like me
Wanna be like me now
Take out your hidden self
Follow me, follow me like this

I'm gonna hit you in your ear
So I can flicker before your eyes
So your heart can explode, hit again
Doom doom ta, doom doom ta
Doom doom ta, doom doom ta, check it

Oh ya ya baby, oh ya ya
Now get up and fly high to the sky
Oh ya ya baby, oh ya oh ya
Fly even higher, do it, touch the sky

I'm gonna hit you in your ear
So I can flicker before your eyes
So your heart can explode, hit again
Doom doom ta, doom doom ta
Doom doom ta, doom doom ta, check it
