미친 듯 뛰어 놀고 싶은 사람

Waterfall waterfall 흘러내려 폭포수
몸 가는 대로 click click 하고 pose
You know what I mean
손 잡히는 대로 마구 던지는 투수
Cua cua like a goose
주저 말고 여기 붙어봐
Yeah we're gonna party like
오늘 이 밤이 마지막인 것처럼 babe

여기 푸른 바다 위 저 캄캄한 sky
가끔 길을 잃어도 ay
그 어느때보다도 자유로워
난 더 위로 날아 우주로
뛰어봐 더 세게 rub-a-dum dum dum

여기 여기 붙어라 yah yah
뛰어봐 더 세게 rub-a-dum dum dum

I know you want it babe
머릿속 모든걸 버리고 do it babe
두 손을 높게 들고 say ay
And that's what I like yeah

Ohh la la la la 뭐가 문제야
Ohh la la 지금 여긴 축제야

다같이 왼손 들어
그런 다음에 오른발 쓸어
고개 들고 두발 뒤로 두발 뒤로
못하겠음 앉아서 들어

Wake up in the morning
날 괴롭히던 고민 doesn't matter
느껴지네 마치 magic
꿈을 꾼 듯이
Oh honey
쏟아지는 햇빛에 눈을 감은 채 기대
내 손을 잡고 우리 날아 갈래 날개를 펴
In your mind

여기 푸른 바다 위 저 캄캄한 sky
가끔 길을 잃어도 ay
그 어느때보다도 자유로워
난 더 위로 날아 우주로
뛰어봐 더 세게 rub-a-dum dum dum

발을 더 세게 굴러봐 like me
내가 딛는 곳마다 음악이 돼

Everyone who wants to party like crazy
Gather here
Jump even higher, rub-a-dum dum dum

Yah uh huh I wanna ride uh uh huh
I just wanna mess
This place up like crazy uh huh
Wanna go up high um...
Why do you ask? because I'm
I'm young and wild, I'm on fire
With a killer vibe and there's no tomorrow

Waterfall waterfall, a waterfall flows down
I go wherever my body takes me, click click then pose
You know what I mean
I'm a pitcher who throws whatever's in my hands
Cua cua like a goose
Don't hesitate, gather here
Yeah we're gonna party like

As if tonight's the last night, babe

On this blue ocean and the dark sky
Even if I get lost sometimes
I feel freer than before
I'm flying higher to outer space
Jump even higher, rub-a-dum dum dum

Gather here, yah yah
Jump even higher, rub-a-dum dum dum

I know you want it babe
Throw away everything in your head, do it babe
Put your hands up high and say ay
And that's what I like yeah

Ohh la la la la what's the problem?
Ohh la la, it's a party here
Everyone lift your left hand
Then brush your right foot
Lift your head and take two steps back
If you can't then sit and listen

Wake up in the morning
All the worries that tortured me, doesn't matter
I can feel it like magic
Like I'm dreaming
Oh honey
I'm closing my eyes from the pouring sunlight
Wanna hold my hand and fly? let's spread our wings
In your mind

On this blue ocean and the dark sky
Even if I get lost sometimes
I feel freer than before
I'm flying higher to outer space
Jump even higher, rub-a-dum dum dum

Move your feet even stronger like me
Every place I step on becomes music
(Everybody come play with TRI.BE)
When the darkness spreads and the sun sets
The sounds grow louder
Jump even higher, rub-a-dum dum dum

Gather here, yah yah
Jump even higher, rub-a-dum dum dum
