

Waiting

4 Strings

You've got my eyes upon you, but you don't even care
But that move is killing me so I need to get out of
here

My insecurity is based on your attraction
And everything I want is just to make it happen

I'm waiting, for the time of my life with you
I'm waiting, for us to break the rules
I know our souls' connected all we need is time
No doubt my soul's affected I wanna make you mine
I'm waiting!
Waiting for you
I'm waiting!
Waiting, for you

If there's anymore then after, what am I gonna do?
A back in my cage I call a cab and let you go
My insecurity is based on your attraction
And everything I want is just to make it happen

I'm waiting, for the time of my life with you
I'm waiting, for us to break the rules
I know our souls' connected all we need is time
No doubt my soul's affected I wanna make you mine
I'm waiting!
Waiting for you
I'm waiting!
Waiting, for you!

I'm waiting!
Waiting for you
I'm waiting!
Waiting...
For you
