Until The End Of The World

U2

```
Hmi                  D
Haven't seen you in quite a while
      Emi
I was down the hold, just passing time
Hmi                   D
Last time we met was a low-lit room
      Emi
We were as close together as bride and groom
D                    A
We ate the food, we drank the wine
Emi                       G
Everybody having a good time
       D
Except you
         A
You were talking about the end of the world

E  E  E  E  E  E  Esus4  E  (4x)

I took the money, I spiked your drink
You miss too much these days if you stop to think
You led me on with those innocent eyes
You know I love the element of surprise
In the garden I was playing the tart
I kissed your lips and broke your heart
You, you were acting like it was the end of the world

In my dream I was drowning my sorrows
But my sorrows they learned to swim
Surrounding me, going down on me
Spilling over the brim
In waves of Regret, waves of joy
I reached out to the one I tried to destroy
You, you said you'd wait until the end of the world.
```
