Baby
뭐해 모두 일어나 지금 빨리 stand up
옆에 너 lady
거기 앉아 있을 시간 없어 당장 stand up
발을 뜨겁게 만들어 줄께
절대 가만히 있을 수 없게 now
(Shake your body shake your body)
이 노래 듣고 있는 너도 말이야 yeah

평범한 make up and hair style 은 no
너는 더 귀티나게
쫙 빼입고 와
나처럼 stand up 일어나 따라 나와
같이 춤을 춰 미친 듯이 기운 없고
계속 기분 down일 때

걱정 말고 오늘 하루 미쳐봐
정신없이 흔들어 어렵지 않아
널 놓고 미쳐봐라
머리 어깨 무릎 발 무릎 발 다 흔들어봐
Shake your body

오늘은 어제보다 신나게 party2nite
우리들뿐이야 모두 같이 say yeah yeah yeah
내 옆보다 신나게
누구보다 더 크게 oh
소리 질러봐 소리 질러봐 yeah

Everybody shake your body
Everybody shake your body
Everybody shake your body
Everybody everybody

힘들고 지칠 때
이 노래 듣고 쉬어가
우울하고 피곤할 때 계속 생각날거야
너를 멋지게 만들어 줄께
절대 쉽게 널 넘볼 수 없게 now
(Shake your body shake your body)
Everybody 모두 같이 let go yeah

오늘은 어제보다 신나게 party2nite
우리들뿐이야 모두 같이 say yeah yeah yeah
내 옆보다 신나게
누구보다 더 크게 oh
소리 질러봐 소리 질러봐 yeah

Everybody shake your body
Everybody shake your body
Everybody shake your body
Everybody everybody

나 신경 쓰지 말고 주위 신경 쓰지 말고
그냥 니 몸이 가는대로 해 다 느낌에 맡겨
멈춰있을 여유 없어
우리 시간이 없어
계속 즐겨
지쳐도 일어나 get up

Oh yeah 지금처럼만 지치지 않게 더
소리쳐 이대로 쉬지 말고 움직여 다
Oh yeah baby

Everybody shake your body
Everybody shake your body
Everybody shake your body
Everybody everybody

Baby
What are you doing? Everyone get up hurry stand up
You, lady on the side
There is no time to sit there, stand up right now
I'll make your feet hot
You will not able to stay still now
(Shake your body shake your body)
I'm talking about you who's listening to this song yeah

Ordinary make up and hair style are no
You'll be more glamorous
If you come with proper outfits
Raise and stand up like me, come and follow me
With little effort, let's dance together like crazy
Keep dancing till the feeling goes down

Without worry, let's be crazy today
It's not hard to shake crazily
Let's let loose our craziness
Head, shoulder, knee, feet, knee, feet, shake them all
Shake your body

Today, make it more exciting than yesterday, party2nite
Only between us, let's all together say yeah yeah yeah
Standing beside me is more exciting
Than anyone else, go louder oh
Make some noise, make some noise ye

Everybody shake your body
Everybody shake your body
Everybody shake your body
Everybody everybody

When you're exhausted
Go rest while listening to this song
When you feel depressed or tired with lots of thoughts
I'll make you awesome
You wouldn't be able to leave this club now
(Shake your body shake your body)
Everybody all of you let go ye

Today, make it more exciting than yesterday, party2nite
Only between us, let's all together say yeah yeah yeah
Standing beside me is more exciting
Than anyone else, go louder oh
Make some noise, make some noise ye

Everybody shake your body
Everybody shake your body
Everybody shake your body
Everybody everybody

Don't mind me, don't mind the boundary
Just match everything with what your body feels
If someone stops you, there is no freedom
We don't have time
Let's keep enjoying this
Even though we're tired, raise! Get up!

Oh yeah without tiring just like this moment
Shout it all like this without rest and keep moving
Oh yeah baby

Everybody shake your body
Everybody shake your body
Everybody shake your body
Everybody everybody
