Girl 어서 불러줘
널 기다리고 있어 불러줘

Baby
기분 좋은 아침 내게 인사해 설레이게
Hey girl
말해 말해 줘 내게 내게 말해 줘
사탕처럼 달콤한
목소릴 듣고파
그 어떤 것보다 난 좋아
Yeah, that's so fine with me
Oh Yeah

왜 넌 아무렇지 않을 수가 있을까
궁금해
너와 눈이 마주치는 그 순간
망설여
넌 내 melody 귓가에 맴돌지
어쩜 이게 사랑인 걸까
Can I make u mine?

언제 어디서든
날 불러줘
머릿속은 Ring Ring Ring
종을 울려 ddang!
내가 생각나면
또 불러줘
보고 싶어 매일매일매일
기다려줘 날아가 날아가 날아가 네게

건들건들 날 건드려
너의 눈에 날 가두려
시선은 고정 시간은 멈춰
매번 널 볼 때마다
세상 너만 예뻐
내 맘속 넌 하루 종일 뛰어다녀
내 심장도 발맞춰 같이 뛰어
넌센스 퀴즈 같아
내 맘을 혹시 알까
(너는 알까 yeah)

알다가도 모르는 게 사람 맘인데
널 보면
어째선지 네 맘을 다 알겠어
Girl, it's true
넌 내 melody 넌 늘 새롭지
어쩜 이게 운명인 걸까
Can I make u mine?

언제 어디서든
날 불러줘
머릿속은 Ring Ring Ring
종을 울려 ddang!
내가 생각나면
또 불러줘
보고 싶어 매일매일매일
기다려줘 날아가 날아가 날아가 네게

함께 해서 더
빛이 났던걸
느껴 너의 미소로
(Me & you)
뭔가에 홀린 듯
선을 넘어 It's over
커져가는 박동 속
날 멈출 수 없어

Uh huh uh huh
언제든 어디든
(날 불러줘)
Uh huh uh huh
낮에도 밤에도
기다림은 지루해
어서 날 불러줘
들리면 달려갈게
널 꼭 안을게

나와 마주 보고
날 불러줘
눈이 부셔 Bling Bling Bling
내 심장을 Bang
같은 마음으로
날 불러줘

소중해져 더 더 더
지금처럼 영원히 영원히 영원히 둘이

언제든 불러줘
기다리고 있어 불러줘
낮에도 또 밤에도
나를 불러줘
어서 불러줘

언제든 불러줘
기다리고 있어 불러줘
낮에도 또 밤에도
나를 불러줘
어서 불러줘

불러줘

Girl, hurry and call me
I'm waiting for you, call me

Baby
You say good morning to me, making my heart flutter
Hey girl
Tell me, tell me, tell me
I wanna hear your voice
That's sweet like candy
I like it more than anything else
Yeah, that's so fine with me
Oh Yeah

I wonder
How you're so calm
When our eyes meet, I start
To hesitate
You're my melody, lingering in my ears
Is this love?
Can I make u mine?

Whenever, wherever
Call me
In my head, it goes ring ring ring
The bells are ringing, ddang
When you think of me
Call me
I miss you, every single day
Wait for me, I'll fly to you

You can provoke me
You can trap me in your eyes
Eyes are fixed, time stops
Every time I see you
In this world, only you're this pretty
You race through my heart all day
My heart chases after you and runs too
It's like a nonsense quiz
I wonder if you know how I feel
(Do you know, yeah)

People's hearts are
So mysterious
But when I see you, I feel like I know
Girl, it's true
You're my melody, you're always new

Maybe this is destiny
Can I make u mine?

Whenever, wherever
Call me
In my head, it goes ring ring ring
The bells are ringing, ddang
When you think of me
Call me
I miss you, every single day
Wait for me, I'll fly to you

We shine more
Because we're together
I feel it through your smile
(Me & you)
As if something's come over me
I'm crossing the line, it's over
My heartbeat is getting louder
I can't stop myself

Uh huh uh huh
Whenever, wherever
(Call me)
Uh huh uh huh
Day or night
Waiting is too boring
Hurry and call me
If I hear you, I'll run to you
I'll hold you tight

Look at me
And call me
You're dazzling, bling bling bling
My heart goes bang
If you feel the same
Call me
You become more and more precious
Just like this, forever, us two

Call me whenever
I'll be waiting, call me
Day or night
Call me
Hurry and call me

Call me whenever
I'll be waiting, call me
Day or night
Call me
Hurry and call me

Call me
