

Make this clear in a statement
And break me here through the pavement
And I can trust in the silence
And I'll adjust to the violence...
Inside... I can't deny... I've burned

Alive in pain - but without you
I'll go insane reaching out to
I'm almost gone - but believe me
I feel so wrong

I can't believe what you've done to me
(Would you cut me - if you love me)
I can't believe this was meant for me
(Don't you touch me - don't you push me)
I can't believe what you've done to me
(Would you cut me now)

Life! (Life) It passed away (Wrong)
Another chance at this life but it passed away (I'm so
alone)
