우리 둘만의 love song
내게 기대 my back

그 어떤 걸 해도 together
둘이 함께라서 더 better

Baby say, baby say
All the way, all the way

우리 눈빛이 닿아 now
나의 리듬을 따라
눈을 감고선 follow me

내 손을 잡아
Look at the sunrise
우리 시간이 빨라
해가 져도 be next to me, oh

Can we just move

To the sound
멈출 수 없어 now
We vibin' vibin'
Light it up
And feel alive
쏟아지는 맘
We vibin', vibin' yeah

Woo woo woo baby
Woo woo woo baby
Woo woo woo baby
Oh we vibin' vibin' yeah

Woo woo woo baby
Woo woo woo baby
Woo woo woo baby
Oh we vibin' vibin' yeah

밤새 내 곁에 babe 있어
뭘 하든 let's play
영화를 볼지 말지
Come play like a video game
아니면 우리 둘이서
We can talk all night
Cause I can tell you just wanna dance

너의 맘을 보여줄래 show me
나 외롭지 않게 lonely
Out here, out here
Right in the middle
Don't go go
To the fall fall
I will hold on oh oh oh

Can we just move
To the sound
멈출 수 없어 now
We vibin' vibin'
Light it up
And feel alive
쏟아지는 맘
We vibin', vibin' yeah

Woo woo woo baby
Woo woo woo baby
Woo woo woo baby
Oh we vibin' vibin' yeah

스며들어 와 yeah you hold me down
Oh 망설이지마 yeah I'm all in
네가 없는 난 don't mean nothing
깊이 빠져들어 into you, to you

Can we just move
To the sound
멈출 수 없어 now
We vibin' vibin'

Light it up
And feel alive
