아침이 와
어제와 달라진 눈부신 light
눈을 뜨면 (눈을 뜨면)
움츠렸던 꽃잎은 피어나

가장 아름답게
세상을 다 물들여도
영원한 건 없대
결국엔 모두 시들 테니

난 운명조차, change
널 향해 on my way
놓치지 않게 chase
Yeah, it's all because of you

난 그저 모르는 체
반복해 day after day
결말은 변함없대도
난 달려갈게
난 믿어 내 안의 faith
모든 게 변해갈 때
내 가장 눈부신 지금
너에게 줄게

Oh-oh, oh-oh-oh-oh, oh-oh, oh-oh-oh-oh
My day, 시작과 끝은 너
Oh-oh, oh-oh-oh-oh, oh-oh, oh-oh-oh-oh
너에게 줄게

흔들리지 않고 피어난
꽃은 없어 너도 알잖아
오지 않은 내일은 생각 안 할래
너만 생각할게

가장 아름답게
세상을 다 물들여도
영원한 건 없대

결국엔 모두 시들 테니

난 운명조차, change
널 향해 on my way

난 그저 모르는 체 (모르는 체)
반복해 day after day (Yeah, yeah)
결말은 변함없대도
난 달려갈게
난 믿어 내 안의 faith
모든 게 변해갈 때
내 가장 눈부신 지금
너에게 줄게

Oh-oh, oh-oh-oh-oh, oh-oh, oh-oh-oh-oh
My day, 시작과 끝은 너
Oh-oh, oh-oh-oh-oh, oh-oh, oh-oh-oh-oh
너에게 줄게

힘겹게 뗀 내 첫걸음이
떨려온대도
멈출 수 없어 for you and me
Ooh-woah, oh, oh-oh-oh

널 향해 매일 더 달릴수록 멈출 수 없어질 걸
알고도 겁 없이 뛰어들어 더 깊이 빠져들어
네 입술 끝에 꽃피운 my name, 영원히 지지 않게
불러줄래 'cause you're my way (Come on)

난 그저 모르는 체 (Ooh-ooh-oh, oh, yeah)
반복해 day after day
결말은 변함없대도
난 달려갈게 (달려갈게)
I'll give you every first
처음이자 마지막 love
내 가장 눈부신 지금
너에게 줄게 (I'll give you love)

Oh-oh, oh-oh-oh-oh, oh-oh, oh-oh-oh-oh (Ooh, ooh-ooh-ooh)
My day 시작과 끝은 너 (Never change)
Oh-oh, oh-oh-oh-oh, oh-oh, oh-oh-oh-oh (Oh)
다 네게 줄게

'Cause of you, oh-oh
Yeah, it's you

The sun rises
It's a new day, the dazzling sunlight hits my eyes
As I open them (As I open my eyes)
The flower that was once withered came back to bloom

Even the most beautiful, precious things
That can shine even through the darkness
End up withering, fading away
Nothing lasts forever

But I can change that, my fate
Running towards you, I'm on my way
I won't lose hold of you
Yeah, it's all because of you

Whenever I close my eyes
I replay the same day after day

Even if it's the same ending everytime
I will keep running towards you
I believe in my faith, you
Even if everything around us changes
The highlight of my life and my reason to keep going
Is you

Oh-oh, oh-oh-oh-oh, oh-oh, oh-oh-oh-oh
My day begins and ends with you
Oh-oh, oh-oh-oh-oh, oh-oh, oh-oh-oh-oh
I'll give my all to you

No flower blooms without struggle
We all know
Tomorrow is yet to come, but that's not on my mind
All I think about is you

Even the most beautiful, precious things
That can shine even through the darkness
End up withering, fading away
Nothing lasts forever

But I can change that, my fate
Running towards you, I'm on my way

Whenever I close my eyes (Whenever)
I replay the same day after day (After day)
Even if it's the same ending everytime
I will keep running towards you
I believe in my faith, you
Even if everything around us changes
The highlight of my life and my reason to keep going
Is you

Oh-oh, oh-oh-oh-oh, oh-oh, oh-oh-oh-oh
My day begins and ends with you
Oh-oh, oh-oh-oh-oh, oh-oh, oh-oh-oh-oh
I'll give my all to you

Taking my first step wasn't easy
But even if it becomes staggering
I can't stop me for you and me
Ooh-woah, oh, oh-oh-oh

The more I run to you everyday, the harder it becomes to stop
I'm aware, but I dive in with no fear, fallin' even deeper
On your lips, my name blossomed, don't let it ever perish
Keep calling it 'cause you're my way (Come on)

Whenever I close my eyes (Ooh-ooh-oh, oh, yeah)
I replay the same day after day
Even if it's the same ending everytime
I will keep running to you (Will keep running to you)
I'll give you every first
The very first and very last love
The highlight of my life and my reason to keep going
Is you (I'll give you love)

Oh-oh, oh-oh-oh-oh, oh-oh, oh-oh-oh-oh (Ooh, ooh-ooh-ooh)
My day begins and ends with you (Never change)
Oh-oh, oh-oh-oh-oh, oh-oh, oh-oh-oh-oh (Oh)
I'll give my all to you

'Cause of you, oh-oh
Yeah, it's you
