When the moon arises on the western sky
And the vampires are out on the sly
At times they have trouble finding necks to bite
That's why I cook up in my roon tonight

My riboflavin flavored, non-carbonated, polyunsaturated blood (Her riboflavin flavored, non-carbonated, polyunsaturated blood)

Drac came to me one night at 12

And said the blood bank had no blood on the shelf

I exclaimed "don't fret!" I'll give you on fix Of my newly regenerated mix I gave him riboflavin flavored, noncarbonated, polyunsaturated blood (She gave him riboflavin flavored, noncarbonated, polyunsaturated Blood)

It gives you quick relief you see From fang aches and corpusle deficiency Natter! consuming my laboratory brew Will make a new vampire out of you

It's that quality unleaded, only one calorie, polyunsaturated b lood

That riboflavin flavored, noncarbonated, polyunsaturated blood Drac enjoyed my brew without a hitch Now he's one of those that would rather fight than switch

If you're biting mre necks enjoying it less
Try my new non-carbonated best
My riboflavin flavored, non-carbonated, polyunsaturated blood
