그래 너 예쁜 거 알어
니 다리 예쁜 거 안다고
남자 많은 거 알어
그 표정이 말해 만만치 않다고
넌 말 따로 또 마음 따로지

착하고 예쁜 여자는 딱 봐도
쉬워 보일 거라 생각한다고
넌 말해 , 아니 왜 하다 말어 치
거 봐 내가 뭐랬어
넌 내게 관심 없는 듯
말하기는 해도
그게 어디까지 간다고
So stop teasin' me
다 들통났어 넌 이미
이젠 날 좀 알아봐
들떴어, 너 입꼬리 올라가

도도해
넌 도도해
우린 너무 달라
달라 더욱 갖고 싶은걸
넌 도도해
도도해

La la la...
La la la...

그래 너 예쁜 거 알어
니 엉덩이 예쁜 거 안다고
남자를 다룰 줄 알어
낯은 가려도 부끄럼 타진 않아
넌 뭘 좀 알어 (알아 알아) 안다고
힙합에 춤을 출 줄 알아
Two four, laid back
Yeah good girl, I like that
니 볼 위에 점이 말하네
태어날 때부터 난 도도해
배우고 싶어 온종일
널 알고 싶어해 내 온 몸이

넌 도도해 너무 도도해
날 힘들게 하지만
니가 맘에 들지 왜
너도 내가 맘에 드는 게 눈에 보여

도도해
넌 도도해
우린 너무 달라
달라 더욱 갖고 싶은걸
넌 도도해

Yes, I know you're pretty
I know your legs are pretty
I know you have a lot of guys
Your face tells me that you're not easy
Your words and your heart say different things
You think girls who are pretty and nice would look easy
You're talking to me - no, why have you stopped?
See, what did I tell you?
You talk as if you're not interested in me
But how long do you think that'll last?
So stop tease me
I've already caught you
Now hurry and recognize me
You're excited, the tip of your lips have turned upwards

You're so dodo

You're dodo
We're so different
But that's why I want you more
You're dodo
Dodo

La la la...

Yes, I know you're pretty
I know you have a pretty butt
You know how to handle men
You're not forward with strangers but you're not shy
You know a little something (you know, you know) you know
You know how to dance to hip-hop
Two, four, laid back
The beauty mark on your cheek tells me
That you've been dodo since you were born
I want to learn about you all day
My entire body wants to get to know you

You're dodo, you're so dodo
Making it hard for me
But why do I like it?

You're so dodo
You're dodo
We're so different
But that's why I want you more
You're dodo
Dodo
