

# I Know You Now

4HIM

I looked at faith  
I almost walked away  
But I looked again  
I found the nerve  
To close my eyes and say the words  
To ask You in  
And I heard no heavenly choir  
No angels in white attire  
I got no amazing super human omnipresent power

But, I know You now  
I know You now  
I know You're in my heart  
I know You now  
Beyond the shadow of a doubt  
I know You now

I look at peace  
That once was out of reach  
And now it's here  
I read Your word  
That some believe is so absurd  
But I hold dear

'Cause You loved me  
With Your dying breath  
You saved me  
When You conquered death  
You're living in my heart  
You're the truth  
And I love to confess

But, I know You now  
I know You now  
I know You're in my heart  
I know You now  
Beyond the shadow of a doubt  
I know You now

Finally I'm understanding  
Just who You are  
I feel my life is landing  
Safe inside Your arms where I belong

But, I know You now  
I know You now  
I know You're in my heart  
Yes, I know You now  
Beyond the shadow of a doubt  
I know You now  
In my heart  
In my soul  
In my life  
Now I know  
I know You now  
I know You now  
I know You

I know You, know You now  
I know You now
