

## When I Need You Most

4HIM

Your spirit reads my heart  
Like the pages of an open book  
Somehow You see each fragile part before you look  
You know my every weakness  
Lord, You know just what I need  
And out of Your compassion  
Your comfort me, for...

When I least deserve Your Love  
That's when I need You most  
When I seem to push away  
That's when I need You close  
When my flesh would hide my heart  
From the only truth it knows  
That's when I need you most

When all I know is change  
Only You will keep my heart secure  
Your tender love for me remains so strong and sure  
And though I may fail you often  
Still your healing mercies flow  
For with a father's wisdom  
You always know, that...
