Why?

4HIM

They say that into every life, some rain must fall For the pain is no respector, of the mighty or the small But sometimes, it just seems so unfair To see the one who's had more than his share Oh it makes you wonder why And Lord I wouldn't second guess, your mighty plan For I know you have a purpose, that's beyond the scope of men If you look inside my heart, you will find That I have always been the trusting kind Oh but still I wonder Why(I wonder why) Do the rainy days have to come When the storm clouds hide the sun I wanna know why Why (I wonder why) When the reasons aren't clear to me When it all is a mystery I want to know why And though down here, I may not understand I wont let go of the Unseen Hand For it holds the reasons why The Lord has never been afraid, of honest prayers And He won't allow the burden, to be more than you can bear When He knows, that your trust, is in Him He doesn't mind the questions now and then Even if you wonder Why(I wonder why) Do the rainy days have to come When the storm clouds hide the sun I wanna know why Why(I wonder why) When the reasons aren't clear to me When it all is a mystery I want to know why And though down here, I may not understand I wont let go of the Unseen Hand For it holds the reasons why When the storm clouds hide the sun I wanne know wanna know why Why When the reasons aren't clear to me When it all is a mystery I want to know why And though down here, I may not understand I wont let go of the Unseen Hand For it holds the reasons why And though down here, I may not understand
