they knock you out at the drop of the dime first eye contact yo that's the moment when you wanna die but when you take a look downsouth you'll see a hell of a body on the way to blast your eyes out. drinking brew after school , kissing ex-friends girlfriends hands always where this skirt ends they wanna make you hot, no doubt! and you wanna take a shot, no doubt! wicked games that's the way how they wanna play naughty thoughts and a surprise under their shorts at any given time she wants to do you, screw you use and abuse you like she's always used to yo! you can run but you cannot hide you're a two-second-brother when your hips collide

you know who we're talking about, no doubt! the little young nastees, no doubt!
