

Flatline

5 Seconds of Summer

Shoulda seen me, like, a year ago, year ago
I was someone you don't even know, even know
Dark time's kept me all alone, all alone
You were shinin' like a heart of gold, heart of gold

Someone just like you, no one else
And lights will guide you, so run like hell

Ooh, I'm falling for the first time
Heart is gonna flatline
Now I can't even look at you
You're like staring at the sunshine
Burnin' into my mind
'Cause I can't even look at you
I'd die all day and every night just to miss ya
Ooh, I'm falling for the first time
Heart is gonna flatline
Now I can't even look at you
People always say it's hard to change, hard to change
I've seen the signs and I know it's hard to fake, hard to fake
I say, "I love you," I don't hesitate, hesitate
And now I wanna see you everyday, everyday, yeah

Someone just like you, no one else (Else)
And lights will guide you, so run like hell

Ooh, I'm falling for the first time
Heart is gonna flatline
Now I can't even look at you
You're like staring at the sunshine
Burnin' into my mind
'Cause I can't even look at you
I'd die all day and every night just to miss ya
Ooh, I'm falling for the first time
Heart is gonna flatline
Now I can't even look at you

Someone just like you, no one else (Else)
And lights will guide you, so run like hell
Ooh, I'm falling for the first time
Heart is gonna flatline (Is gonna flatline)
Now I can't even look at you
You're like staring at the sunshine
Burnin' into my mind
'Cause I can't even look at you
I'd die (I'd die) all day (All day) and every night just to miss ya
Ooh, I'm falling for the first time
Heart is gonna flatline
Now I can't even look at you

Now I can't even look at you
