

## Out of My Limit

### 5 Seconds of Summer

Back in the high school we used to take it slow,  
red lipstick on and high heel stilettos.  
Had a job downtown working the servo,  
had me waiting in line couldn't even let go.

'Cause I never wanna be that guy,  
who doesn't even get a taste.  
No more having to chase  
to win that prize.

You're just a little bit out of my limit,  
it's been two years now you haven't even seen the best of me.  
And In my mind now I've been over this a thousand times,  
but it's almost over.  
Let's start over.

Back in high school,  
we used to make up plans.  
Called you up one day to meet split ends.

'Cause I never wanna be that guy,  
who doesn't even get a taste.  
No more having to chase  
to win that prize.

You're just a little bit out of my limit,  
it's been two years now you haven't even seen the best of me.  
And In my mind now I've been over this a thousand times,  
but it's almost over.  
Let's start over.

You're just a little bit out of my limit,  
it's been two years now you haven't even seen the best of me.  
And In my mind now I've been over this a thousand times,  
but it's almost over.  
Let's start over.

You're just a little bit out of my limit,  
it's been two years now you haven't even seen the best of me.  
And In my mind now I've been over this a thousand times,  
but it's almost over.
