

TEARS!

5 Seconds of Summer

There's a hole in the Sun, cavin' in and I feel it
I'm the fortunate one, push my luck when I need it
Sad, but what can I do? Burn the world to start over
Blackin' out in my room, wake me up when it's over

I'll feel better when I let myself sink deeper, deeper
I'll feel better when I let myself see clearer, clearer

Cryin' eyes
I don't need a reason to get high tonight, high tonight
I just wanna feel alive
Cryin' eyes (Cryin' eyes)
Divin' 'cause I wanna see the other side, other side
I just wanna feel alive (Tears)
Hittin' the ground, hittin' the ground
Hittin' the ground, hittin' the ground (Tears)
Pullin' me down, pullin' me down
Pullin' me down, pullin' me down (Tears)
Hittin' the ground, hittin' the ground
Hittin' the ground, hittin' the ground (Tears)
Pullin' me down, pullin' me down
Pullin' me down, pullin' me down (Ah)

It starts in the mornin', then it goes to my head
I go through the motions and it drags me to bed

I'll feel better when I let myself sink deeper, deeper
I'll feel better when I let myself see clearer, clearer

Cryin' eyes
I don't need a reason to get high tonight, high tonight
I just wanna feel alive
Cryin' eyes (Cryin' eyes)

Divin' 'cause I wanna see the other side, other side
I just wanna feel alive (Tears)
Hittin' the ground, hittin' the ground
Hittin' the ground, hittin' the ground (Tears)
Pullin' me down, pullin' me down
Pullin' me down, pullin' me down (Tears)
Hittin' the ground, hittin' the ground
Hittin' the ground, hittin' the ground (Tears)
Pullin' me down, pullin' me down
Pullin' me down, pullin' me down

Diamonds turn to puddles, no one's feelin' what I'm feeling
Violence in the darkness, are you seein' what I'm seein'?
I was gone, went fifty rounds of uppercuts, I'm bleedin'
I swear to God no one is feelin' what I'm feelin'

Cryin' eyes (Cryin' eyes)
I don't need a reason to get high tonight, high tonight
I just wanna feel alive
Cryin' eyes (Cryin' eyes)
Divin' 'cause I wanna see the other side, other side
I just wanna feel alive (Tears)

Hittin' the ground, hittin' the ground
Hittin' the ground, hittin' the ground (Tears)
Pullin' me down, pullin' me down
Pullin' me down, pullin' me down (Tears)
Hittin' the ground, hittin' the ground
Hittin' the ground, hittin' the ground (Tears)
Pullin' me down, pullin' me down
Pullin' me down, pullin' me down
