## 5 Seconds of Summer

Some days, you're the only thing I know  
Only thing that's burning when the nights grow cold  
Can't look away, can't look away  
Beg you to stay, beg you to stay, yeah  
Sometimes, you're a stranger in my bed  
Don't know if you love me or you want me dead  
Push me away, push me away  
Then beg me to stay, beg me to stay, yeah

Call me in the morning to apologize  
Every little lie gives me butterflies  
Something in the way you're looking through my eyes  
Don't know if I'm gonna make it out alive

Fight so dirty, but your love so sweet  
Talk so pretty, but your heart got teeth  
Late night devil, put your hands on me  
And never, never, never ever let go  
Fight so dirty, but your love so sweet  
Talk so pretty, but your heart got teeth  
Late night devil, put your hands on me  
And never, never, never ever let go

Some days, you're the best thing in my life  
Sometimes when I look at you, I see my wife  
Then you turn into somebody I don't know  
And you push me away, push me away, yeah

Call me in the morning to apologize

Every little lie gives me butterflies  
Something in the way you're looking through my eyes  
Don't know if I'm gonna make it out alive

Fight so dirty, but your love so sweet  
Talk so pretty, but your heart got teeth  
Late night devil, put your hands on me  
And never, never, never ever let go  
Fight so dirty, but your love so sweet  
Talk so pretty, but your heart got teeth  
Late night devil, put your hands on me  
And never, never, never ever let go

Blood on my shirt, rose in my hand  
You're looking at me like you don't know who I am  
Blood on my shirt, heart in my hand  
Still beating

Fight so dirty, but your love so sweet  
Talk so pretty, but your heart got teeth  
Late night devil, put your hands on me  
And never, never, never ever let go  
Fight so dirty, but your love so sweet  
Talk so pretty, but your heart got teeth  
Late night devil, put your hands on me  
And never, never, never ever let go

Teeth

Teeth

Teeth

Never, never, never ever let go
