

CRY!

This time, I sent the race from the sunshine
This time, I made you bleed on the outside
Couse you know I'm about to let you go
So tonight I'm gonna let you know

I hear you, don't worry
I just act crazy sometimes
You know that, I'm sorry
It's not the end of the life (life)
What see you cry

It's getting old, I got to let you go
You make me crazy all this time
I got to let you go
It's getting old, I got to let you go
You make me crazy all this time
I got to let you go

Next time, or don't you play with your own mind
Next time you be your self for your own time
Couse you know I'm about to let you go
So tonight I'm gonna let you know

I hear you, don't worry
I just act crazy sometimes
You know that, I'm sorry
It's not the end of the life (life)
What see (what see) you (you) cry!

It's getting old, I got to let you go
You make me crazy all this time
I got to let you go
It's getting old, I got to let you go
You make me crazy all this time
I got to let you go

(WHAT SEE YOU CRY!)
(Sexy guitar solo)

I hear you (I hear you)
Don't worry (Don't worry)
When I hear you! (When I hear you!)
Don't worry

It's getting old, I got to let you go
You make me crazy all this time
I got to let you go
It's getting old, I got to let you go
You make me crazy all this time
I got to let you go
