

LIEZ!

LIEZ!

[BRIDGE]

I can not say no more  
I can not say too  
I'm not says no more  
I can not stay forever

How could I trust those (LIEZ!)  
Why did you say that to me  
How could I trust those (LIEZ!)  
Maybe it's now or never

[VERSE]

Feels like I'm falling  
To the ground  
(Like I'm falling down, can you hear the sound as I touch the ground. I'm falling)  
I'm standing on the edge  
Can't see the ground  
(Like I'm falling down, can you feel the ground, it's a long way down)

[CHORUS]

I... I think I lost my mind  
I think I lost this time  
How could I be so blind  
[x2 times]

(NOW IT'S ALL GONE AGAIN!)

[VERSE]

Now it's all gone again  
Now it's all lost forever  
Now it's all gone again  
We can not tell you never

[BRIDGE]

How could I trust those (LIEZ!)  
Why did you say that to me  
How could I trust those (LIEZ!)  
Maybe it's now or never

[VERSE]

Feels like I'm falling  
To the ground  
(Like I'm falling down, can you hear the sound as I touch the ground. I'm falling)  
I'm standing on the edge  
Can't see the ground  
(Like I'm falling down, can you feel the ground, it's a long way down)

[CHORUS]

I... I think I lost my mind  
I think I lost this time  
How could I be so blind  
[x2 times]

... I think I lost my mind ...  
... I think I lost this time ...  
... How could I be so blind ...

[CHORUS]

I... I think I lost my mind  
I think I lost this time  
How could I be so blind  
[x4 times]
