Dance 4 life

5Angels

Waking up at 4 a.m.,
I just can't fall asleep again...
In my dreams I hear the beat,
the urban rhythms of the street
Hip hop, R&B, Electro, Ballet,
rock'n'roll and techno
They're my passion, my escape,
they keep me wide awake...

Every single day's a dance for life
The rhythm was my first love!
Music makes me jump in overdrive
I just can't get enough!

What's that wicked sound?
Music from the underground!
What's that wicked sound?
Music from the underground!

When I hear those crazy sounds
my feet start spinning round and round
Every drum loop makes me move,
my body gets into the groove
It makes me dance until I drop,
and I don't want thid beat to shop
It's in the beating of my heart,
I knew it from the start...

Every single day's a dance for life
I just can't get enough!
Music makes me jump in overdrive
The rhythm was my first love!

What's that wicked sound?
Music from the underground!
What's that wicked sound?
Music from the underground!
