

# I Wanna Get Next to You

911

(I wanna get next to you)  
I wanna get next to you  
(I wanna get next to you)  
I wanna get next to you

I'm sitting here  
In this chair  
Waiting on you, oh baby  
To see things my way  
But not to a word you say  
You won't even look my way, yeah

Girl, I'm spending my dimes  
Wasting my time  
Talking till I'm black and blue  
Oh, can't you see

(I wanna get next to you)  
I wanna get next to you, ooh  
(I wanna get next to you)

Dreams of you and I go sailing by  
Whenever your eyes meet mine  
You're so fine  
(And girl, you make me feel) so insecure  
You're so beautiful and pure  
Why must you be so unkind  
Tell me I'm not your kind,  
Blow my mind

Girl, my money is low  
And I know that I can't take you to the fancy places  
You might wanna go

(I wanna get next to you) and I...  
I wanna get next to you  
I wanna get next to you, baby, yeah

Lalalalala.....  
I wanna get next to you

Girl, you can bend me, shake me, make me  
Whatever it takes to please you  
I'm willing to do (I'm willing to do)  
'Cause you're my dream come true

I wanna get next to you, hoo hoo  
I wanna get next to you  
I wanna make you mine for all time  
(I wanna get next to you)  
I promise I'll never make you blue  
(I wanna get next to you)  
Yes, i do  
(I wanna get next to you), oh, baby, baby  
(I wanna get next to you)  
I promise I'll never make you blue  
(I wanna get next to you)
