She's Out Of My Life

Ooh, she's out of my life She's out of my life I don't know whether to laugh or cry I don't know whether to live for die And it cuts like a knife She's out of my life

Ooh, she's out of my hands She's out of my hands To think for two years that she was here And I took her for granted I was so cavalier Now the way that it stands She's out of my hands

So I've learned that love is no possession And I've learned that love won't wait, won't wait Now I've learned love needs expression But I've learned much too late

And she's out of my life Out of my life Damned indecision and cursed pride Kept my love for her locked deep inside And it cuts like a knife She's out of my life Ooh, she's out of my life **98 Degrees**
