

[Verse 1]

Made myself a prisoner  
I locked myself away  
Can't remember the last time  
I saw the light of day  
Don't want to face life  
Feel I've been betrayed  
I want you tell me  
Where our love went astray

R:

So can't you wait one more minute  
Why can't you wait one more day  
Let's get it straight  
Because it's a big mistake  
We better think about it

R:

I don't want to break it up  
Why do we have to break it up?  
Never ever want to break it up oh no  
I only want to make it up tonight

[Verse 2]

You say you've thought about it  
But you sound so cold  
You make it look like our love  
Can be bought or sold  
You won't listen  
You say it's way too late  
That something is missing  
And now you just can't wait
