

# Have Faith in Me

## A Day to Remember

Have faith in me  
Cause there are things that I've seen I don't believe  
So cling to what you know and never let go  
You should know things aren't always what they seem

I said I'd never let you go, and I never did  
I said I'd never let you fall and I always meant it  
If you didn't have this chance then I never did  
You'll always find me right there, again

I'm going crazy  
Cause there are things in the streets I don't believe  
So we'll pretend it's alright (pretend it's alright)  
and stay in for the night  
Oh what a world  
I'll keep you safe here with me (with me)

I said I'd never let you go, and I never did  
I said I'd never let you fall and I always meant it  
If you didn't have this chance then I never did  
You'll always find me right there, again

I said I'd never let you go, and I never did  
I said I'd never let you fall and I always meant it  
If you didn't have this chance then I never did  
You'll always find me right there, again

They've got me on the outside, looking in  
But I can't see at all  
With the weight of the world on my shoulders,  
They just wanna see me fall

They've got me on the outside, looking in  
But I can't see at all  
With the weight of the world on my shoulders,  
They just wanna see me fall

Have faith in me

I said I'd never let you go, and I never did  
I said I'd never let you fall and I always meant it  
If you didn't have this chance then I never did  
You'll always find me right there, again

I said I'd never let you go, and I never did (Go, Did)  
I said I'd never let you fall and I always meant it (Fall, Meant It)  
If you didn't have this chance then I never did  
You'll always find me right there, again

I said I'd never let you go, and I never did  
I said I'd never let you go, and I never did  
I said I'd never let you go, and I never did  
I said I'd never let you go, and I never did
