

Homesick

A Day to Remember

Everything around me seems so much different from where I'm from
And at this rate I think my fates been sealed.
This lifes so unpredictable.
Well go, continue to live a life that
No one knows.
Where's this gonna go?

Right here, right now, this is
The beginning of, the end
And I won't sing one single thing till we can get this right.
I'm moving on,
I'm moving on.

Hey mom I wrote you some soft songs.
And tell dad I'm just fine.
We had to choose, we made our moves
And now we gotta go, go.

Everything about me seemed so much different when I was young.
I couldn't wait to take my place
Five years have passed.
Good god have I been gone?
So why, I've never felt so alone in my whole life.
Times not on my side.

Right here , right now,
This is,
The beginning of, the end
And I won't sing one single thing till we can get this right
I'm moving on,
I'm moving on.

Hey mom I wrote you some soft songs.
And tell dad I'm just fine.
We had to choose, we made our move
And now we gotta go,
And why's this make me so nervous?
Why does everything go wrong?
Why's this make me so nervous?
Why does everything go wrong?

I'm holding on to a fairytale,
Were movin foward but we're not there yet.
I'm holding on to a fairytale,
Were moving foward,
Were moving foward!

I'm holding on to a fairytale,
Were movin foward but we're not there yet.
I'm holding on to a fairytale,
Were moving foward,
Were moving foward!

Hey mom I wrote you some soft songs
And tell dad I'm just fine.
We had to choose we, made our move.
And now we gotta go.

And why's this make me so nervous?
Why does everything go wrong?
Why's this make me so nervous?
Why does everything go wrong?
